A motion was made by DOOLAN, seconded by PETERS, that the Conditional Use Permit be approved with conditions. The motion carried by the following vote: 4-0.

1. The use shall employ no more than one or one full-time equivalent, employee who is not a member of the family residing on the premises.
2. Sanitary fixtures to serve the limited family business use may be installed, but must be removed upon expiration of the conditional use permit or abandonment of the limited family business.
3. The conditional use permit shall automatically expire on sale of the property or the business to an unrelated third party.
4. The physical development and operation of the conditional use must conform, in all respects, to the approved site plan, operational plan and phasing plan.
5. New and existing buildings proposed to house a conditional use must be constructed and maintained to meet the current requirements of the applicable sections of the Wisconsin Commercial Building Code or Uniform Dwelling Code.
6. The applicant shall apply for, receive and maintain all other legally required and applicable local, county, state and federal permits. Copies of approved permits or other evidence of compliance will be provided to the zoning administrator upon request.
7. Any ongoing business operation must obtain and continue to meet all legally required and applicable local, county, state and federal licensing requirements. Copies of approved licenses or other evidence of compliance will be provided to the zoning administrator upon request.
8. Existing onsite wastewater sewage disposal systems, if any, serving the conditional use must be inspected by a licensed plumber to determine its suitability for the proposed or expanded use. Deficient systems must be brought, at the owner's expense, into full compliance with the current requirements for new development of the state plumbing code and Chapter 46, Dane County Code.
9. All vehicles and equipment must access the site only at approved locations identified in the site plan and operations plan.

Costs borne by the landowner shall be proportional

to the incremental increase in traffic associated with the proposed conditional use.

12. The Zoning Administrator or designee may enter the premises of the operation in order to inspect those premises and to ascertain compliance with these conditions or to investigate an alleged violation. Zoning staff conducting inspections or investigations will comply with any applicable workplace safety rules or standards for the site.

13. The owner must post, in a prominent public place and in a form approved by the zoning administrator, a placard with the approved Conditional Use Permit number, the nature of the operation, name and contact information for the operator, and contact information for the Dane County Zoning Division.

14. The owner or operator must keep a copy of the conditional use permit, including the list of all conditions, on the site, available for inspection to the public during business hours.

15. Failure to comply with any imposed conditions, or to pay reasonable county costs of investigation or enforcement of sustained violations, may be grounds for revocation of the conditional use permit. The holder of a conditional use permit shall be given a reasonable opportunity to correct any violations prior to revocation

16. If any use allowed by an approved conditional use permit is abandoned for one year or more, the associated conditional use permit shall be terminated. Future re-establishment of an abandoned conditional use shall require approval of a new conditional use permit.
