E. Reports to Committee

1. COMMUNITY RESTORATIVE COURT UPDATE (STAFF)

Stephanie Marino gave the following update on the CRC:

- *The CRC has received its first referrals from City of Monona PD and CRC is happy to be working with Chief Chaney Austin and Monona.*
- *Currently CRC has 245 cases and averages 40 cases per month.*
- *The cases are more complex, with the period for monitoring, sponsoring, and assisting respondents going from an average of 1-3 months to around one year now. As a result, caseloads have increased and are staying with staff longer.*
- *The CRC is currently down one staff member and this is affecting outreach to peacemakers*

Ron Chance added that the reclassification request for Ron Johnson's previous position was initiated in September and is seeing some movement now. Compliments to the CRC staff (3 FTE/2 LTE) for their committed work and extra hours during this time.

2. COMMUNITY JUSTICE CENTER INITIATIVE--NEEDS ASSESSMENT UPDATE--CCI RECOMMENDATIONS

MacKinnon presented the recommendations section of the final presentation by Center for Court Innovation and noted that the presentation and the final CCI report are available on the CJC website and presentations to CJC are available for viewing in legistar under the CJC meetings.

Subcommittee had questions about the interests of the County Board with respect to the final report. MacKinnon indicated that the participation and collaboration of CJ system actors, funding, mobile/rotating center model, and the makeup of the core planning team were all of interest to the board members.

Next likely steps suggested by CCI are development of a core planning team and advisory board.

Chair Ozanne indicated that the CJC should have some idea re: movement on next steps for the justice center initiative after the Executive budget is released.
