**Attachments:** [July Minutes](#)

This minutes were approved.

## C. Discussion Items

UW Nursing Strike

*An agreement was made among all parties and there is no longer a strike planned.*

## Emergency OB Communications

*A recent EMS call for an emergency OB patient did not have information relayed to OB triage following EMS' report to the ER. This caused confusion during transfer of care, and it was asked by providers if it is possible to call OB direct. Dr. VanBendegom and Lehmann discusses the processes at Meriter and St. Mary's. There is agreement that the process should be kept consistent between hospitals. Dr. Vanbendegom has reached out to OB and ER leadership to review the process and the specific incident and see if there needs to be a change to their procedure. This item will remain on the agenda to follow up on at the next meeting.*

### **D. Presentations**

### **E. Reports to Committee**

### **F. Future Meeting Items and Dates**

### **G. Public Comment on Items not on the Agenda**

### **H. Such Other Business as Allowed by Law**

*The three Dane County hospitals are working to come up with an efficient ER triage process that will allow EMS agency to transfer patient care quickly and get back into service. The Annual Trauma Care Conference is on December 1st. It is a one day conference with a fee, and the key note speaker is a family from the Las Vegas music festival shooting.*

### **I. Adjourn**

**Meeting was adjourned at 12:37pm.**

*Minutes respectfully submitted by Courtney Morency.*
