RE: Claimant: Alisha Smith
Our Claim No.: ALDA00001112
Our Insured: Dane County
Date of Loss: 12/28/2023

Dear Teresa Sanchez,

We have received the above referenced claim on 12/28/2023. This claim was submitted by the Claimant who alleges a Dane County snow plow struck her car while they were traveling on County Hwy 12/18. Upon investigation of this incident, it has been determined that Dane County has no liability for this claim. The video and statements obtained in the investigation support that the Claimants Vehicle had entered the highway, the snow plow was already established and actively plowing on the highway, and the Claimant Vehicle collided with a rear portion of the plow. Please issue formal disallowance and provide a copy of this disallowance to WMMIC.

We will continue to monitor this claim and close when appropriate, after the receipt of the disallowance.

A copy of this letter has been placed in the claim file for reference. If you should have any further questions, please contact me.

Sincerely,

A handwritten signature in black ink that reads "Nicole Busch".
