

Board of Health for Madison and Dane County
Resolution #2024 – 14

Authorization to Accept Funds from an anonymous donor for the Animal Services Program

Public Health Madison and Dane County (Public Health) proposes the acceptance of \$100 from an anonymous donor for the Animal Services Program.

Public Health does not normally receive donations from the public. However, an individual that has recently received assistance from one of our Humane Officers was motivated to donate \$100 to support the Animal Services program. This donation would be added to revenue for Animal Services (32206) as Misc Revenue (47190) be expended under Work Supplies (53210).

NOW THEREFORE BE IT RESOLVED, that the Board of Health for Madison and Dane County on behalf of Public Health Madison and Dane County authorizes the Director of Public Health, or their designee, to accept and expend the funding in the amount of \$100.
