- (b) *Disallow all, or part of, the cost of the activity or action not in compliance.*

Pre-award costs are those incurred prior to the effective date of the award directly pursuant to the negotiation and in anticipation of the award where such costs are necessary for efficient and timely performance of the scope of work. Such costs are allowable only to the extent that they would have been allowable if incurred after the date of the award, and only with the written approval of the program authorizing official or delegate.

Upon approval, WEM will issue a signed Grant Adjustment Notification (GAN). All changes are not officially approved until the GAN is received by the subrecipient.

Exhibit D – DHS Standard Terms and Conditions

Article I. Applicability of DHS Standard Terms and Conditions

Section 1.01 Recipients and Subrecipients

The Federal Fiscal Year (FFY) 2024 DHS Standard Terms and Conditions apply to all new federal financial assistance awards funded in FFY 2024. These terms and conditions flow down to subrecipients unless an award term or condition specifically indicates otherwise. The United States, Department of Military Affairs and Wisconsin Emergency Management have the right to seek judicial enforcement of these obligations.

Section 1.02 Section 1.02 Tribes

The DHS Standard Terms and Conditions are a restatement of general requirements imposed upon recipients and flow down to subrecipients as a matter of law, regulation, or executive order. If the requirement does not apply to Indian tribes or there is a federal law or regulation exempting its application to Indian tribes, then the acceptance by Tribes of, or acquiescence to, DHS Standard Terms and Conditions does not change or alter its inapplicability to an Indian tribe. The execution of grant documents is not intended to change, alter, amend, or impose additional liability or responsibility upon the Tribe where it does not already exist.

Article II. Assurances, Administrative Requirements, Cost Principles, Representations and Certifications

Recipients must complete either the Office of Management and Budget (OMB) Standard Form 424B Assurances – Non- Construction Programs, or OMB Standard Form 424D Assurances – Construction Programs, as applicable. Certain assurances in these documents may not be applicable to your program and the DHS financial assistance office (DHS FAO) may require applicants to certify additional assurances. Applicants are required to fill out the assurances as instructed by the federal awarding agency.

Article III. General Acknowledgements and Assurances

Recipients are required to follow the applicable provisions of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in effect as of the federal award date and located at 2 C.F.R. Part 200 and adopted by DHS at 2 C.F.R. § 3002.10. All recipients and subrecipients must acknowledge and agree to provide DHS access to records, accounts, documents, information, facilities, and staff pursuant to 2 C.F.R. § 200.337.

Section 3.01 Recipients must cooperate with any DHS compliance reviews or compliance investigations.

Section 3.02 Recipients must give DHS access to examine and copy records, accounts, and other documents and sources of information related to the federal financial assistance award and permit access to facilities and personnel.

Section 3.03 Recipients must submit timely, complete, and accurate reports to the appropriate DHS officials and maintain appropriate backup documentation to support the reports.

Section 3.04 Recipients must comply with all other special reporting, data collection, and evaluation requirements required by law, federal regulation, Notice of Funding Opportunity, federal award specific terms and conditions, and/or federal awarding agency program guidance.

Section 3.05 Recipients must complete the DHS Civil Rights Evaluation Tool within thirty (30) days of receiving the Notice of Award for the first award under which this term applies. Recipients of multiple federal awards from DHS should only submit one completed tool for their organization, not per federal award. After the initial submission, recipients are required to complete the tool once every two (2) years if they have an active federal award, not every time a federal award is made. Recipients must submit the completed tool, including supporting materials, to CivilRightsEvaluation@hq.dhs.gov. This tool clarifies the civil rights obligations and related reporting requirements contained in these DHS Standard Terms and Conditions. Subrecipients are not required to complete and submit this tool to DHS. The evaluation tool can be found at <https://www.dhs.gov/publication/dhs-civil-rights-evaluation-tool>.
