**ACCEPTANCE OF NORTH AMERICAN WETLANDS CONSERVATION ACT
GRANT SUB-AWARD FROM DUCKS UNLIMITED INC**

The Land & Water Resources Department has secured a \$400,000 grant from Ducks Unlimited Inc. as a sub-award of a North American Wetlands Conservation Act Grant – Horicon Coastal Connections Phase II. \$350,000 is for land acquisition and \$50,000 is for wetland and associated upland restoration for the benefit of migrating waterfowl, shorebirds and other wildlife.

The restoration funds will be used for a wetland and prairie restoration project in the Walking Iron Wildlife Area in the Town of Mazomanie. The project has many water quality benefits, including allowing the water to filter through the wetland before it eventually enters the Wisconsin River, increasing groundwater recharge and providing excellent waterfowl and pheasant hunting habitat.

THEREFORE, BE IT RESOLVED, that the County Board of Supervisors and the Dane County Executive hereby accept the \$400,000 in grant funds from Ducks Unlimited Inc.

BE IT FURTHER RESOLVED, that the Dane County Executive is authorized to sign sub-award agreements and the Dane County Parks Director and Natural Resource Manager are authorized to submit reimbursement claims along with necessary supporting documentation within six months of project completion, and take necessary action to undertake, direct, and complete approved projects.

BE IT FURTHER RESOLVED that the County Executive is authorized to sign notice of grant requirements that will be recorded on properties used for match to secure the grant or restored in whole or part with grant funding.

BE IT FINALLY RESOLVED, that revenue account CPLWRESC 8173 SW NAWCA Grant be increased by \$400,000 and expense account CPLWRESC 51305 WALKING IRON WLA RESTORATION be increased by \$50,000 and expense account CPLWRESC 58849 SW NAWCA ACQUISITION be increased by \$350,000 and that all funds shall be carried forward until realized and expended.

This Agreement is effective this 29th day of April, 2025, between Ducks Unlimited, Inc. (hereinafter "DU") and the Dane County (hereinafter "Partner") to facilitate completion of the Horicon Coastal Connection Phase II (hereinafter "Project").

WHEREAS, the North American Wetlands Conservation Act (NAWCA) provides federal grants to conserve wetland and associated upland for the benefit of migrating waterfowl, shorebirds and other wildlife.

WHEREAS, Horicon Coastal Connection Phase II NAWCA proposal dated July 8, 2022, addressed to the North American Wetlands Conservation Council Coordinator (hereinafter "Project Proposal") included as Exhibit A to this Agreement was approved for NAWCA funding by the Migratory Bird Conservation Commission on July 21, 2023.

WHEREAS, DU intends to serve as the NAWCA grant recipient on behalf of the Project partners and to administer grant funds received under a NAWCA grant (hereinafter "Grant") if and when such Grant is issued by the U.S. Fish and Wildlife Service (USFWS) and accepted by DU.

WHEREAS, the Partner intends to be a sub-recipient of NAWCA grant funds and/or a match provider.

WHEREAS, DU and the Partner intend to cooperate to complete the Project by the acquisition of certain real property interest(s) and/or development(s) as described in Exhibit B of this Agreement (hereinafter "Project Elements").

NOW, THEREFORE, in consideration of the above premises and other terms and conditions listed herein, DU and the Partner agree to undertake the Project as follows:

I. SCOPE OF WORK - The Project will be conducted in accord with the Project Proposal and the Terms and Conditions of the NAWCA grant (hereinafter "Terms and Conditions") as detailed in Exhibit C to this Agreement.

II. SCOPE OF THE AGREEMENT - This Agreement will be in force for the Grant Project period plus 25 years or, if Project Elements include acquisition of real property interests, in perpetuity from the above-mentioned effective date unless limited by easements, leases or other legal instruments of shorter duration as may be specified in the Terms and Conditions or approved by the DU Project Officer.

A. DU agrees:

1. Subject to the execution of the Grant, to receive and administer Grant funds in accordance with the Project Proposal.

2. To reimburse the Partner for allowable costs, as defined by the Terms and Conditions, incurred by the Partner to complete the Project Elements in the amount(s) described in Exhibit B.

B. PARTNER agrees:

1. To accept cash, goods, and/or services from DU and other Project partners to complete Project Elements as described in Exhibit B.
2. To provide matching contributions as detailed in said Partner's funding commitment letter included in the Project Proposal and described in Exhibit B.
3. That it accepts and will comply, as a subrecipient and/or a match provider and on DU's behalf and for DU's benefit, with the provisions of the Terms and Conditions.
4. To be responsible for all costs incurred by the Partner in excess of the value of Grant funds, DU funds or DU in-kind services, if any, that may be associated with the Project.
5. To provide all reasonable and necessary services to ensure the timely completion of the Project within the Grant's project period
6. To provide information and materials in a timely manner as requested by DU that are necessary to meet DU's obligations under the Grant.
7. To obtain, at the Partner's expense, all required permits, agreements, leases, approvals and access rights necessary for the development of the Project and provide to DU, its officers, employees, agents and the like all reasonable assistance and cooperation necessary for the implementation of this Agreement.
8. That all pre-agreement costs, as defined by the Terms and Conditions, incurred by the Partner are incurred at the Partner's risk. Such costs are allowable only to the extent that they would have been allowable if incurred after the date that the USFWS signs the Grant and during the Grant's project period.
9. Perform Site management and maintenance activities identified within the Project for the duration of this Agreement. Further, Partner shall be responsible for all costs associated with operation and maintenance of the Site.
10. DU will retain a right of entry to the Site for purposes of educational or informational tours and periodic review of Site management and maintenance. Visitation to the Site by DU will not infringe or conflict with Partner's use or enjoyment of the Site.
11. To immediately reimburse DU for any repayment or reimbursement DU must make to the USFWS under the Grant that is caused by or results from the Partner's failure to comply with the terms and conditions of this Agreement.
12. In accordance with II.B.3. above, reimburse the USFWS or be bound to the alternative for redress chosen by the USFWS if any habitat restored, enhanced, created, or acquired by or for the Partner is managed, conveyed, or administered in a manner inconsistent with Terms and Conditions and/or the Project purpose. Further, under these circumstances, the Partner will reimburse DU for costs incurred

by DU to restore, enhance, create, or acquire any habitat that is managed, conveyed, or administered in a manner inconsistent with Project purposes.

13. To permit DU, USFWS and their designees to conduct site inspections of the Project.
14. To permit DU, USFWS and their designees to have access to the Partner's records and financial statements as necessary for DU to meet the requirements of 2CFR 200.300 through 200.309 and Subpart F.

C. DU and PARTNER mutually agree:

1. That this Agreement and its obligations are contingent upon DU's receipt, acceptance and execution of a Grant, the terms and conditions of which are acceptable to DU, that will fund this Project. If DU should not receive or accept the Grant or if this Project is excluded from the Grant, this Agreement shall be rescinded as of its effective date and neither party shall have any obligations to the other under this Agreement.
2. That the Project will be completed in accordance with the Project Proposal as further detailed in Exhibit B, including any mutually agreed modifications.
3. To acknowledge the contribution of each party in oral or written communications related to the Project. Partner and/or DU will provide mutually acceptable Project signs and will erect and reasonably maintain these signs at a convenient viewing location in close proximity to the Project.

6. To freely exchange Project information and to periodically review, study and consider modifications to the Project pursuant to the terms of this Agreement
7. That if this Agreement is executed prior to DU receiving the Notice of Grant Award from the USFWS, and such subsequent Notice of Grant Award contain provisions which require the amendment or modification of the Terms and Conditions currently attached as Exhibit C to this Agreement, that such amended or modified Terms and Conditions shall be substituted and upon written acknowledgement by the Partner and become part of the Agreement.
8. In the event the parties hereto are unable to agree regarding their obligations under this Agreement, they shall select a mutually acceptable third party whose decision shall be binding.

That DU or FWS will bear no responsibility or liability with respect to any claims or suits by third persons for damages incurred or suffered resulting from, or caused by, the Partner, any subcontractor, or their respective employees, agents, servants and assigns activities under this Agreement.
