

EOC Staff Report – May 2025

EOC – 8 Commissioners

A. Commissioner update

- Four new commissioners appointed in March 2025
- One resignation of a supervisor in April 2025; seeking replacement
- 8 Commissioners

B. Inquiries follow up from last meeting

Q - Can EOC meet outside of the City-County Building?

A - Yes, boards, commissions and committees can meet outside of the City County Building as long as it is in a space accessible to the public, and has hybrid meeting capability. This could include other Dane County buildings or privately owned buildings, as long as it satisfies the requirements.

Q - Can a commissioner share information about future events at an EOC meeting?

A - A commissioner may share information about events, but should do it as a community member (citizen) vs. on behalf of the EOC to avoid conflicts.

Q - What is the best way to raise awareness about the EOC to others?

A - Commissioners can spread information in their respective communities and spaces that they are in. If a better way is identified to share information about boards/committees, EOC will be informed.
