AUTHORIZING CONTRACT EXTENSION FOR LAW ENFORCEMENT RECORDS MANAGEMENT SYSTEM SOFTWARE MAINTENANCE AND SUPPORT FEES

Policy Analysis Statement:

Brief Description of Proposal -

The Sheriff's Office contracts with Motorola Solutions Inc., Contract #11945, for centralized law enforcement records management system services, Spillman. The Sheriff's Office wishes to extend the term of Contract #11945 an additional five (5) years, to continue providing maintenance and support service for Spillman, including additional migration services.

Current Policy or Practice -

Contracts with a cost greater than \$100,000 require County Board approval.

Impact of Adopting Proposal -

The Sheriff's Office must maintain accurate and easily accessible records of information for effective and efficient Department operation and for public safety. The need for good record-keeping and information-sharing practices has taken on added significance in today's global environment.
