REZONE DESCRIPTION

Reason for the request. In the space below, please provide a brief but detailed explanation of the rezoning request. Include both current and proposed land uses, number of parcels or lots to be created, and any other relevant information. For more significant development proposals, attach additional pages as needed.

Is this application being submitted to correct a violation?
Yes ☐ No ☒

Les Orosz owns three adjacent parcels-all three are currently zoned Farmland Preservation (either FP-1 or FP-35). One of the parcels has a dilapidate home. The other two parcels are farmed or wooded. Mr. Orosz desires to combine these lots and create two lots through a Certified Survey Map (CSM)-the small lot (10.26-acres) zoned RR-8 and the larger lot (40.26-acres) zoned RM-16 which would be deed restricted to prohibit further development. A single-family home would be build on the larger lot. There are no plans for the second lot, but Mr. Orosz has no desire to sell this. Based on the Density study, there are two available density units (splits) at this location. See attached maps showing existing zoning and conceptual CSM.

Existing Zoning District(s)	Proposed Zoning District(s)	Acres
FP-1 & FP-35	RM-16	40.26
