## Steps Needed to Expunge the Balances:

- CSA Attorney E-files proposed order
- Court holds the order for 7 Days for Due Process
- Court signs the order
- Worker manually adjusts the balance in the Child Support System

# Where Are We Headed

---

*Currently, we have one dedicated Child Support worker gathering information, typing, processing, entering, and adjusting orders. We have one manager who oversees, assists, and provides coverage for this worker. Lastly, we have the Legal Director who reviews and e-files the documents.*

*The Team has a goal to complete this project by January of 2025.*
