## Dane County Parks' 90th Anniversary

**12:00 PM - 1:00 PM**

**OCTOBER 9, 2025**

**Heritage Center**

3101 Lake Farm Rd, Madison

*Our goal:*

**Raise \$90,000 to restore  
90 acres!**

We warmly invite you to join the Foundation for Dane County Parks for a luncheon to celebrate the 90th anniversary of our beloved Dane County Parks. The Dane County Parks are the largest county park system in the state and are leaders in land restoration, environmental education, and outdoor recreation. Learn about Dane County Parks' achievements over the years, discover what is next, and hear from conservation experts.

The Foundation's mission is to support and enhance Dane County Parks through philanthropic community engagement. Our vision is a thriving and financially sustainable Dane County Parks system that is treasured and enjoyed by the entire community.

### Event Highlights

- **Presentations from conservation experts**
- **Tour the Heritage Center, Dane County Parks' environmental education hub**
- **Hike a restored prairie on a naturalist-led nature walk**

**Scan here to  
purchase your  
tickets!**
