The Department of Human Services, CYF Division is requesting approval to fill position #1204, which has been vacant longer than 6 months.

Social Service Specialist #1204 The Social Service Specialist, (SSS) supervises family interactions between parents and children who have been adjudicated to be in need of protection or services.

These children have been placed outside of their parental home and may be in relatives' placements or foster homes. Social Service Specialist #1204: These functions have been fulfilled by other Social Service Specialists, the LTE and the Social Workers assigned to the case may also supervise the family contact. The department has also hired an LTE Social Service Specialist.

What will be the impact on the Department's function and Mission if these positions remain vacant?

The goal of Child Protective Services (CPS) is to support parents and caregivers in making the necessary changes so children are safe and protected in their homes.
