DANE COUNTY CONTRACT

ADDENDUM # 14910B

Revised 01/2022

THIS ADDENDUM, made and entered into effective as of the date by which both parties hereto have executed this document, by and between the County of Dane (hereinafter referred to as “County”) and SCS Engineers (hereinafter, “Provider”).

WITNESSETH:

WHEREAS Provider and County, by a separate document (hereinafter, the “Master Agreement”), Dane County Contract # 14910, have previously entered into a contractual relationship pursuant to which Provider, and

WHEREAS County and Provider wish to amend the Master Agreement in order to account for inflation on item pricing. Additionally, new proposals regarding services consisting of private well sampling, voluntary well sampling, leachate sampling, and analytical gas sampling are included for 2026 and 2027.

NOW, THEREFORE, in consideration of the above premises and the mutual covenants of the parties hereinafter set forth, the receipt and sufficiency of which is hereby acknowledged by each party for itself, the parties do agree as follows:

1. The Master Agreement shall remain in full force and effect unchanged in any manner by this addendum except as changes are expressly set forth herein. This addendum shall control only to the extent of any conflict between the terms of the Master Agreement and this addendum.
2. Increase the total contract amount by \$142,194.19 to allow for rate increases due to inflation, elimination of unnecessary services, and the addition of new services for Dane County Landfill Site #2 and Dane County Landfill Site #3 as shown in the Schedule B on this addendum.
3. The current contract currently has \$357,929.47 available on it. The combined costs for services outlined in 2026 and 2027 combined is \$500,123.66, therefore \$142,194.19 is needed as the increase to accommodate these services after the price increases.

IN WITNESS WHEREOF, the parties, by their respective authorized representatives, have set their hands and seals as of the dates set forth below.
