Subject: Petition Number 02682

To Whom It May Concern - I'm not in favor of Petition Number CUP 02682 for the same reasons I've been against it for the total number of times it has been submitted in the past. Again, overall I think it's poor planning to try and insert a commercial type business in the midst of a residential community and the overall negative impact I believe it would have on the community in general. I've been against this proposal in the past and I continue to be against it now.

This request has gone on long enough. Why is it so hard to understand "NO"!

Respectfully,

Mark Nowak
