C. Welcome Supervisor Rick Rose

1. Overview of executive committee

The Executive Committee is the only standing committee of the Dane Arts Commission.

2. Individual area of focus

- Commissioners have individual Areas of Focus, which are informal groups not designated as workgroups or sub-committees.

- Chair Ritcherson suggested that Supervisor Rose's Area of Focus could be the County Board, reporting on any County Board activities relevant to the Dane Arts commission.

D. Review/Develop Capital Grants Allocations Formula

- Historically, the Capital grant allocation has been determined each cycle based on the number of eligible grant requests.

- Chair Ritcherson proposed that the Capital grant budget be set at 5% of the total grant pool dollars available per cycle. Awards can be made up to 5% of available dollars.

- Consensus was that any unused portion of the Capital grant funds should be distributed back to the current cycle grant pool.

A motion was made by Commissioner Puleo Moyer to establish a process of allocating up to 5% of grant pool dollars to Capital Grant requests with any unused funds rolling back into the grant pool dollars in a given cycle, seconded by Commissioner Klehr.

The motion was carried unanimously by a voice vote.

E. Review Short Order Future Dollars

- Short order funds have been awarded from the grant pool budget or the Lussier fund on a case-by-case basis.
- 2024 Cycle 2 received less applications than 2024 Cycle 1, so it is anticipated that short order funds will be distributed from the grant pool budget this cycle.
- Short order grants are designed for independent working artists, new organizations, and/or first-time applicants to apply for up to \$1,000.
- Grant guidelines state that applicants may apply for three separate grants per year, including short order, capital and project. Only one short order grant application is permitted per cycle.
- Director Fraire stated that the short order application process will continue through 2024 Cycle 2, with a plan to discuss the merits of continuing the short order grant in the future.

F. Continued Discussion on Possible County Executive Debate Forum

- Dane County Legal Counsel does not recommend that Dane Arts lead, sponsor, or support a County Executive debate forum since the elected County Executive directly supervises the Director of Dane Arts.
- Dane Arts involvement could include proposing an arts-related question during a forum.

G. Updates on Fundraising-Madison Club Event and Friends of Dane Arts

- Several business executives attended the event and opted in to the Change for Art employee giving program.
- The Fund Development event at the Madison Club event was paid for by private donors.

- The result could include commissioners agreeing to commit to attending a certain number of Dane Arts supported events per year.
- Each grant recipient agreed to provide at least one comp ticket to conduct a site visit.

I. Preliminary Preparation for Grant Cycle 2-Budgeted Allocation

- 2024 Cycle 2 received 42 project grant applications and 4 short order applications
