Hello,

Dane County is considering amendments (2023-OA-080) to the *Dane County Comprehensive Plan* that would:

- Establish a standing Cultural Heritage Preservation Commission in accordance with Chapter 5 of the Dane County Comprehensive Plan.
- Assign duties and responsibilities to the Heritage Preservation Commission as adopted by the Zoning and Land Regulation (ZLR) Committee

In order to comply with the requirements of the state comprehensive planning law, Dane County must notify all local government jurisdictions within or adjacent to the county, giving them a 30 day review period prior to the county public hearing. You may review the ordinance amendment materials at: <https://dane.legistar.com/Legislation.aspx> and enter “heritage preservation commission” in the legislative text box.

The public hearing of the County Zoning and Land Regulation Committee on this item is scheduled for

July 23, 2024. Please return any comments concerning the plan amendment to the Dane County Department of Planning and Development; Room 116, City-County Building; 210 Martin Luther King Jr. Blvd; Madison, WI 53703 by that date. Please feel free to contact me at (608) 267-4115, or by e-mail at standing@co.dane.wi.us with any questions, or if you would like to receive any of these materials in an alternate format.
