D. Action Items

1. Discuss - Development of Annual Goals

Olson suggested developing a subgroup to come up with goals and present back to board with recommendations. It was also suggested to bring the bi-laws, state statutes and copy of the county's legislative agenda to the next meeting to continue discussion on this.

Chair Peterson asked Fischer if the ADRC had active annual goals. Fischer said it changes year by year. This year a new data system has been implemented by the State. Need to get everyone up and active on this. This will have an impact on monetary drawdown. In 2026 the State will start 100% time reporting.

2. Discuss - Periodic Evaluation

Olson said evaluations are always good, a way to find out how things can be done better. Suggested having an advisory group to provide input.

Golden suggested designing a work plan and then evaluate.

Thompson said we should follow the bi-laws and look at what we have achieved and where we are falling short.

Discussion continued.
