6 The Dane County Library Service has 9.8 FTE authorized in the 2025 budget. A  
7 number of the positions are authorized at less than 1.0 FTE. The 2025 budget  
8 reallocated position authority among existing staff and any vacant positions. Due to the  
9 choices of current employees and their desire to work more or less than in 2024, the  
10 Library Service seeks to make the following changes to the authorized FTE among six  
11 positions.

12  
13 THEREFORE BE IT RESOLVED that the authorized FTE be adjusted as follows:
