**A motion was made by BOLLIG, seconded by RATCLIFF, to approve the CUP based on the findings of fact as noted in the staff report and it has been determined that the proposal meets the standards for obtaining a CUP, with the conditions as noted in the staff report. The motion carried by the following vote: 4-0.**

**CONDITIONS:**

**Standard Conditions for all Conditional Use Permits**

1. The physical development and operation of the conditional use must conform, in all respects, to the approved site plan, operation plan and phasing plan.
2. New and existing buildings proposed to house a conditional use must be constructed and maintained to meet current requirements of applicable sections of Wisconsin Commercial Building Code or Uniform Dwelling Code.
3. The applicant shall apply for, receive and maintain all other legally required and applicable local, county, state and federal permits. Copies of approved permits or other evidence of compliance will be provided to the county zoning administrator upon request.
4. Any ongoing business operation must obtain and continue to meet all legally required and applicable local, county, state and federal licensing requirements. Copies of approved licenses or other evidence of compliance will be provided to the county zoning administrator upon request.
5. Existing onsite wastewater sewage disposal systems, if any, serving the conditional use must be inspected by a licensed plumber to determine its suitability for the proposed or expanded use. Deficient systems must be brought, at the owner's expense, into full compliance with the current requirements for new development of the state plumbing code and Chapter 46 Dane County Code.
6. All vehicles and equipment must access the site only at approved locations identified in the site plan and operations plan.
7. off-street parking and circulation must be provided, consistent with s. 10.102(8) of County Ordinances.
8. If Dane County Highway Transportation and Public Works Department or the town engineer determine that road intersection improvements are necessary to safely accommodate the conditional use, the cost of such improvements shall be borne by the landowner. Costs borne by the landowner shall be proportional to the incremental increase in traffic associated with the proposed conditional use.
9. The County Zoning Administrator or designee may enter the premises of operation in order to inspect those premises and to ascertain compliance with these conditions or investigate an alleged violation. Zoning staff conducting inspections or investigations will comply with any applicable workplace safety rules or standards for the site.
10. The owner must post, in a prominent public place and in a form approved by the county zoning administrator, a placard with the approval of the Conditional Use Permit number, the nature of the operation, name and contact information for the operator, and contact information for the Dane County Zoning Division.
11. The owner or operator must keep a copy of the conditional use permit,

including the list of all conditions, on the site, available for inspection to the public during business hours.

12. Failure to comply with any imposed conditions, or to pay reasonable county costs of investigation or enforcement of sustained violations, may be grounds for revocation of the conditional use permit. The holder of a conditional use permit shall be given reasonable opportunity to correct any violations prior to revocation.

**Conditions Unique to CUP 2602**

13. Livestock use on the property shall be limited to a maximum of 55 head of cattle at any one time.

14. Owner/Operator shall be responsible for instituting and complying with a nutrient management plan and/or animal waste disposal plan written to NR 151 standards and approved by Dane County Land and Water Resources, as applicable.

15. This conditional use permit shall expire in the event the property is sold or transferred to an unrelated third party.

11. The owner must post, in a prominent public place and in a form approved by the county zoning administrator, a placard with the approval of the Conditional

Use Permit number, the nature of the operation, name and contact information for the operator, and contact information for the Dane County Zoning Division.

12. The owner or operator must keep a copy of the conditional use permit, including the list of all conditions, on the site, available for inspection to the public during business hours.

13. Failure to comply with any imposed conditions, or to pay reasonable county costs of investigation or enforcement of sustained violations, may be grounds for revocation of the conditional use permit. The holder of a conditional use permit shall be given reasonable opportunity to correct any violations prior to revocation.

**Conditions Unique to CUP 2604**

14. This conditional use is strictly for Zach Brumm, doing business as ZB Salvage & Recycling located 4307 Acker Road in the Town of Burke.

15. Owner must provide sanitary facilities such as well and septic.

16. Hours of operation shall be limited as follows:

a. 8:00 a.m. to 5:00 p.m. on Monday through Friday; 8:00 a.m. to 12:00 p.m. on Saturday.

b. No outdoor operations of any kind shall take place on Sundays or legal holidays.

17. Dismantling of vehicles shall take place inside the building.

18. There will be no car crushing at this location.

19. All business vehicles and machinery shall be kept in running condition and in good maintenance.

20. Driveway improvements must be permitted by the Town and must be with stormwater runoff in mind. Neighbor properties must not be negatively impacted. There shall be an apron, size and placement approved by Town engineer, to mitigate mud and gravel to travel out onto Acker Rd.

21. Property must contain lighting that avoids polluting neighborhood properties. Any outdoor lighting shall be in accordance with Dane County zoning ordinance section 10.102(5).

22. Outdoor signage must meet Dane County zoning requirements.

23. Owner shall meet DNR and DOT standards for indoor and outdoor storage of salvaged vehicles.

24. An on-site hazardous material spill containment kit large enough to capture a complete spillage is required.

25. Outdoor storage of salvage materials, merchandise, vehicles, and equipment shall be done in a well-kept orderly manner.

26. There will be no vehicle storage (stacking) higher than fence height in front.

27. Property must be screened. The front fence shall be 8 feet in height (made of corrugated steel or similar).

28. The existing trees bordering the property shall be maintained and serve as screening between the outdoor storage areas and adjoining properties.

29. All hazardous materials or liquids must be stored properly according to State regulations including the registration or opt-out certification with the DNR Refrigerant Recovery Program.

30. Business shall register with the DNR Stormwater program and complete the Stormwater Pollution Prevention Plan and operate in accordance with the requirement of the Wisconsin Pollutant Discharge Elimination System.

31. Fuel storage. All fuel storage must comply with ATCP 93, Wisconsin Administrative Code, including provisions for secondary spill containment.

32. The applicant shall apply for and receive all other required local, state, and federal permits including stormwater runoff permits for auto salvage.

- 33. The conditional use permit shall be for a Type 1 License Salvage Yard only.
- 34. The conditional use permit shall become void if the operator is found to be in violation of these conditions. The CUP shall expire upon sale of the property or upon ZB Salvage and Recycling ceasing to operate on the premises.
