2025 RES-425

ADDENDUM #2 TO THE ENVIRONMENTAL MONITORING CONTRACT WITH SCS ENGINEERS FOR ADDITIONAL SERVICES AND COST INCREASES DUE TO INFLATION

The Dane County Department of Waste & Renewables (W&R) awarded Contract #14910 to SCS Engineers, on December 19, 2022, in the amount of $200,000 per year with a five (5) year term to provide environmental monitoring services at Dane County Landfill Sites #1 and #2, under RFP #322039.

Dane County Department of Waste & Renewables has determined it necessary for SCS to discontinue unnecessary services, perform additional services as required by newly issued operating permits for Site #3, and SCS has requested an increase in rates due to inflation as allowable by the terms of the contract. The increase to the contract is $166,086.00 over the remaining two years of the contract (January 1, 2026 through December 31, 2027).

NOW, THEREFORE, BE IT RESOLVED that the County Executive and the County Clerk be authorized to sign Addendum #2; and

BE IT FINALLY RESOLVED that the Department of Waste & Renewables be directed to ensure complete performance of Addendum #2.
