**Expiration Date:** December 31, 2028  
**Maximum Cost:** \$905,550

**Registered Agent (if applicable):** [REDACTED]  
**Registered Agent Address:** [REDACTED]

**THIS AGREEMENT**, made and entered into, by and between the County of Dane (hereafter referred to as "COUNTY") and Baker Tilly US, LLP (hereafter, "PROVIDER"),

## WITNESSETH:

**WHEREAS** COUNTY, whose address is 210 Martin Luther King Jr. Blvd Room 426 Madison WI 53703, desires to purchase services from PROVIDER for the purpose of Financial Auditing Services; and

**WHEREAS** PROVIDER, whose address is 4807 Innovation Lane, Madison WI 53718, is able and willing to provide such services;

**NOW, THEREFORE**, in consideration of the above premises and the mutual covenants of the parties hereinafter set forth, the receipt and sufficiency of which is acknowledged by each party for itself, COUNTY and PROVIDER do agree as follows:

### I. TERM:

The term of this Agreement shall commence as of the date by which all parties have executed this Agreement and shall end as of the EXPIRATION DATE set forth on page 1 hereof, unless sooner agreed to in writing by the parties. PROVIDER shall complete its obligations under this Agreement not later than the EXPIRATION DATE. COUNTY shall not be liable for any services performed by PROVIDER other than during the term of this Agreement. COUNTY shall never pay more than the Maximum Cost as stated above for all services. Upon failure of PROVIDER to complete its obligation set forth herein by the EXPIRATION DATE, COUNTY may invoke the penalties, if any, set forth in this document and its attachments.

### II. SERVICES AND DELIVERABLES:

- A. PROVIDER agrees to provide the services detailed in the bid specifications, if any; the request for proposals (RFP) and PROVIDER's response thereto, if any; and on the attached Schedule A, which is fully incorporated herein by reference. In the event of a conflict between or among the bid specifications, the RFP or responses thereto, or the terms of Schedule A or any of them, it is agreed that the terms of Schedule A, to the extent of any conflict, are controlling as they relate to the provision of services. As between this Agreement and Schedule D, Schedule D will control as to the legal terms.
- B. PROVIDER shall commence, carry on and complete its obligations under this Agreement with all deliberate speed and in a sound, economical and efficient manner, in accordance with this Agreement and all applicable laws. In providing services under this Agreement, PROVIDER agrees, to the extent practicable, to cooperate in good faith with the various departments, agencies, employees and officers of COUNTY, as provided herein.
- C. PROVIDER agrees to secure at PROVIDER's own expense all personnel necessary to carry out PROVIDER's obligations under this Agreement. Such personnel shall not be

deemed to be employees of COUNTY nor shall they or any of them have or be deemed to have any direct contractual relationship with COUNTY.

- D. No portion of funds under this Agreement may be used to support or advance religious activities.
- E. PROVIDER warrants that it has complied with all necessary requirements to do business in the State of Wisconsin and has met all state and federal service standards, certifications and assurances as expressed by State and Federal statutes, rules, and regulations applicable to the services covered by this Agreement.
- F. PROVIDER will follow applicable public health guidelines to provide safe services and a safe workplace. In addition, by signing this Agreement, PROVIDER acknowledges the contagious nature of COVID-19 and voluntarily assumes the risk that PROVIDER and its staff may be exposed to or infected by COVID-19 by providing services under this Agreement and that such exposure or infection may result in personal injury, illness, permanent disability, and death.

PROVIDER further acknowledges that PROVIDER is assuming all of the foregoing risks and accept sole responsibility for any injury to itself and staff, including, but not limited to, personal injury, disability, death, illness, damage, loss, claim, liability, or expense or any kind, that PROVIDER or its staff may experience or incur in connection with providing services. PROVIDER hereby releases, covenants not to sue, discharges, and holds harmless and indemnifies the COUNTY, its employees, agents, and representatives, of and from any and all claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. Provider understands and agrees that this release includes any claims based on the actions, omissions, or negligence of COUNTY, its employees, agents and representatives, whether a COVID-19 infection occurs before, during, or after the provision of services under this Agreement.

**III. ASSIGNMENT/TRANSFER:**

PROVIDER shall not assign, subcontract or transfer any interest or obligation in this Agreement, without the prior written consent of COUNTY, including the hiring of independent contract service providers unless otherwise provided herein. Claims for money due or to become due to PROVIDER from COUNTY under this Agreement may be assigned to a bank, trust company or other financial institution without such approval if and only if the instrument of assignment contains a provision substantially to the effect that it is agreed that the right of the assignee in and to any moneys due or to become due to PROVIDER shall be subject to prior claims of all persons, firms and corporations for services rendered or materials supplied for the performance of the work called for in this Agreement. PROVIDER shall promptly provide notice of any such assignment or transfer to COUNTY.

**IV. TERMINATION:**

- A. Failure of PROVIDER to fulfill any of its obligations under this Agreement in a timely manner, or violation by PROVIDER of any of the covenants or stipulations of this Agreement, shall constitute grounds for COUNTY to terminate this Agreement by giving a thirty (30) day written notice to PROVIDER.
- B. The following shall constitute grounds for immediate termination:
  - 1. violation by PROVIDER of any State, Federal or local law, or failure by PROVIDER to comply with any applicable States and Federal service standards, as expressed by applicable statutes, rules and regulations.
  - 2. failure by PROVIDER to carry applicable licenses or certifications as required by law.
  - 3. failure of PROVIDER to comply with reporting requirements contained herein.
  - 4. inability of PROVIDER to perform the work provided for herein.

- C. Failure of the Dane County Board of Supervisors or the State or Federal Governments to appropriate sufficient funds to carry out COUNTY's obligations hereunder, shall result in automatic termination of this Agreement as of the date funds are no longer available, with written notice. For clarity, PROVIDER will still be reimbursed for services it performed up until such termination date.
- D. In the event COUNTY terminates this Agreement as provided herein, all finished documents, made by PROVIDER under this Agreement specifically for COUNTY (each, a "Deliverable") shall upon PROVIDER's receipt of full payment, at the option of COUNTY, become the property of COUNTY, and PROVIDER shall be entitled to receive just and equitable compensation, subject to any penalty, for any satisfactory work completed on such Deliverables. Notwithstanding the above, PROVIDER shall not be relieved of liability to COUNTY for damages sustained by COUNTY by virtue of any breach of this Agreement by PROVIDER, and COUNTY may withhold any payments to PROVIDER for the purpose of offset. Notwithstanding the above and solely with respect to ownership of deliverables in this Section, unless specified otherwise on the applicable Statement of Work, each Deliverable may, when fully paid for by COUNTY, be used, copied, distributed internally, and modified by COUNTY but solely for its internal business purposes. COUNTY shall not, without PROVIDER's prior written consent, disclose to a third party, publicly quote or make reference to the Deliverables, except as required by law, including the Wisconsin Public Records Law. Baker Tilly shall retain all right, title and interest in and to: (i) the Deliverables, including but not limited to, all patent, copyright, trademark and other intellectual property rights therein; and (ii) all methodologies, processes, techniques, ideas, concepts, trade secrets and know-how embodied in the Deliverables or that PROVIDER may develop or supply in connection with this Agreement (the "PROVIDER Knowledge"). Subject to the confidentiality restrictions contained in Section 1, PROVIDER may use the Deliverables and the PROVIDER Knowledge for any purpose.

**V. PAYMENT:**

COUNTY agrees to make such payments for services rendered under this Agreement as and in the manner specified herein and in the attached Schedule B, which is fully incorporated herein by reference. Notwithstanding any language to the contrary in this Agreement or its attachments, COUNTY shall never be required to pay more than the sum set forth on page 1 of this Agreement under the heading MAXIMUM COST, for all services rendered by PROVIDER under this Agreement.

**VI. REPORTS:**

PROVIDER agrees to make such reports as are required in the attached schedules, which is fully incorporated herein by reference. PROVIDER shall endeavor to comply with any agreed upon delivery schedules specified in the applicable Statement of Work. Notwithstanding the foregoing, COUNTY acknowledges and agrees that the performance of the Services is subject to a number of factors outside of PROVIDER's direct control, including without limitation the scheduling availability of COUNTY personnel, therefore any specified delivery dates shall be considered to be target estimates only. Failure by PROVIDER to meet any specified target date shall not be considered a material breach of this Agreement.

**VII. DELIVERY OF NOTICE:**

Notices, bills, invoices and reports required by this Agreement shall be deemed delivered as of the date of postmark if deposited in a United States mailbox, first class postage attached, addressed to a party's address as set forth above. It shall be the duty of a party changing its address to notify the other party in writing within a reasonable time.

**VIII. INSURANCE & INDEMNIFICATION:**

- A. PROVIDER shall indemnify, hold harmless and defend COUNTY, its boards, commissions, agencies, officers, employees and representatives against any and all third-party liability, loss (including, but not limited to, property damage, bodily injury and loss of life), damages, costs or expenses which COUNTY, its officers, employees, agencies, boards, commissions and representatives may sustain, incur or be required to

pay finally determined to be have been caused by reason of PROVIDER's gross negligence, willful misconduct, or fraudulent behavior in furnishing the services or goods required to be provided under this Agreement. Notwithstanding the foregoing, in compliance with AICPA independence requirements, the provisions of this paragraph shall not apply to liabilities, losses, charges, costs, or expenses caused by or resulting from the acts or omissions of COUNTY, its agencies, boards, commissions, officers, employees or representatives. Furthermore, because of the importance of the information that COUNTY provides to PROVIDER with respect to PROVIDER's ability to perform the services, COUNTY hereby releases PROVIDER and its present and former partners, principals, agents and employees from any liability, damages, fees, expenses and costs, including attorney's fees, relating to the services that arise from or relate to any information, including representations by management, provided by COUNTY, its personnel or agents, that is not complete, accurate or current.

Any failure on the part of the PROVIDER to comply with reporting or other provisions of its insurance policies shall not affect this PROVIDER's obligations under this paragraph. COUNTY reserves the right, but not the obligation, to participate in defense without relieving PROVIDER of any obligation under this paragraph. The obligations of PROVIDER under this paragraph shall survive the expiration or termination of this Agreement.

B. In order to protect itself and COUNTY, its officers, boards, commissions, agencies, agents, volunteers, employees and representatives under the indemnity provisions of the subparagraph above, PROVIDER shall, at PROVIDER's own expense, obtain and at all times during the term of this Agreement keep in full force and effect the insurance coverages, limits, and endorsements listed below. When obtaining required insurance under this Agreement and otherwise, PROVIDER agrees to preserve COUNTY's subrogation rights in all such matters that may arise that are covered by PROVIDER's insurance, except on its Professional Liability and Umbrella policies. Neither these requirements nor the COUNTY's review or acceptance of PROVIDER's certificates of insurance is intended to limit or qualify the liabilities assumed by the PROVIDER under this Agreement.

1. Commercial General Liability.

PROVIDER agrees to maintain Commercial General Liability insurance at a limit of not less than \$1,000,000 per occurrence. Coverage shall include, but not be limited to, Bodily Injury and Property Damage to Third Parties, Contractual Liability, Personal Injury and Advertising Injury Liability, Premises-Operations, and Fire Legal Liability. If such policy is a "claims made" policy, all renewals during the life of the Agreement shall include "prior acts coverage" covering at all times all claims made with respect to PROVIDER's work performed under the Agreement. This Professional Liability coverage must be kept in force for a period of six (6) years after the services have been accepted by COUNTY

3. Commercial/Business Automobile Liability Insurance.

If applicable to the services covered by this Agreement, PROVIDER shall provide and maintain commercial general liability and automobile liability insurance at a limit of not less than \$1,000,000 per occurrence. Coverage for commercial general liability and automobile liability insurance shall, at a minimum, be at least as broad as Insurance Services Office ("ISO") Commercial General Liability Coverage (Occurrence Form CG 0001) and ISO Business Auto Coverage (Form CA 0001), covering Symbol 1 (any vehicle).

4. Environmental Impairment (Pollution) Liability

If PROVIDER will be transporting waste or will be disposing of waste or products under this Agreement, then PROVIDER agrees to maintain Environmental Impairment (Pollution) Liability insurance at a limit of not less than \$1,000,000 per occurrence for bodily injury, property damage, and environmental cleanup costs caused by pollution conditions, both sudden and non-sudden. This requirement can be satisfied by either a separate environmental liability policy or through a modification to the Commercial General Liability policy. Evidence of either must be provided.

5. Workers' Compensation.

PROVIDER agrees to maintain Workers Compensation insurance at Wisconsin statutory limits.

6. Umbrella or Excess Liability.

PROVIDER may satisfy the minimum liability limits required above for Commercial General Liability and Business Auto Liability under an Umbrella or Excess Liability policy. There is no minimum Per Occurrence limit of liability under the Umbrella or Excess Liability; however, the Annual Aggregate limit shall not be less than the highest "Each Occurrence" limit for the Commercial General Liability and Business Auto Liability.

1. Insurer's Requirement

All of the insurance shall be provided on policy forms and through companies satisfactory to COUNTY, and shall have a minimum AM Best's rating of A- VIII.

2. Additional Insured.

COUNTY, its elected and appointed officials, officers, employees or authorized representatives or volunteers are to be given additional insured status (via ISO endorsement CG 2010, CG 2033, or insurer's equivalent for general liability coverage) on PROVIDER's Commercial General Liability Policy. The coverage shall contain no special limitations on the scope of protection afforded to COUNTY, its elected and appointed officials, officers, employees or authorized representatives or volunteers. Except for the workers compensation policy, each insurance policy shall contain a waiver of subrogation endorsement in favor of COUNTY.

3. Provider's Insurance Shall be Primary

For any claims related to this Agreement, PROVIDER's insurance shall be primary insurance with respect to COUNTY, its elected and appointed officials, officers, employees or authorized representatives or volunteers. Any insurance, self-insurance, or other coverage maintained by COUNTY, its elected and appointed officers, officials, employees or authorized representatives or volunteers shall not contribute to the primary insurance. PROVIDER's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability

4. Cancellation Notice

Each insurance policy required by this Agreement shall not be canceled by the PROVIDER, except after sixty (60) days (ten (10) days for non-payment of premium) prior written notice by U.S. mail has been given to COUNTY by PROVIDER.

5. Evidences of Insurance.

Prior to execution of the Agreement, PROVIDER shall file with COUNTY a certificate of insurance (Accord Form 25-S or equivalent) signed by the insurer's representative evidencing the coverage required by this Agreement. Such evidence shall include an additional insured endorsement signed by the insurer's representative on the Commercial General Liability policy. Such evidence shall also include confirmation that coverage includes or has been modified to include all required provisions as detailed herein.

6. Sub-Contractors.

In the event that PROVIDER employs sub-contractors as part of this Agreement, it shall be the PROVIDER's responsibility to require and confirm that each sub-contractor meets the minimum insurance requirements specified above.

- D. The parties do hereby expressly agree that COUNTY, acting at its sole option and through its Risk Manager, may waive any and all requirements contained in this Agreement, such waiver to be in writing only. Such waiver may include or be limited to a reduction in the amount of coverage required above. The extent of waiver shall be determined solely by COUNTY's Risk Manager taking into account the nature of the work and other factors relevant to COUNTY's exposure, if any, under this Agreement.

**IX. NO WAIVER BY PAYMENT OR ACCEPTANCE:**

In no event shall the making of any payment or acceptance of any service or product required by this Agreement constitute or be construed as a waiver by COUNTY of any breach of the covenants of this Agreement or a waiver of any default of PROVIDER and the making of any such payment or acceptance of any such service or product by COUNTY while any such default or breach shall exist shall in no way impair or prejudice the right of COUNTY with respect to recovery of damages or other remedy as a result of such breach or default.

**X. NON-DISCRIMINATION:**

During the term of this Agreement, PROVIDER agrees not to discriminate on the basis of age, race, ethnicity, religion, color, gender, disability, marital status, sexual orientation, national origin, cultural differences, ancestry, physical appearance, arrest record or conviction record, military participation or membership in the national guard, state defense force or any other reserve component of the military forces of the United States, or political beliefs against any person, whether a recipient of services (actual or potential) or an employee or applicant for employment. Such equal opportunity shall include but not be limited to the following: employment, upgrading, demotion, transfer, recruitment, advertising, layoff, termination, training, rates of pay, and any other form of compensation or level of service(s). PROVIDER agrees to post in conspicuous places, available to all employees, service recipients and applicants for employment and services, notices setting forth the provisions of this paragraph. The listing of prohibited bases for discrimination shall not be construed to amend in any fashion state or federal law setting forth additional bases, and exceptions shall be permitted only to the extent allowable in state or federal law.

**XI. CIVIL RIGHTS COMPLIANCE:**

- A. If PROVIDER has 20 or more employees and receives \$20,000 in annual contracts with COUNTY, the PROVIDER shall submit to COUNTY a current Civil Rights Compliance Plan (CRC) for Meeting Equal Opportunity Requirements under Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Title VI and XVI of the Public Service Health Act, the Age Discrimination Act of 1975, the Omnibus Budget Reconciliation Act of 1981 and Americans with Disabilities Act (ADA) of 1990. PROVIDER shall also file an Affirmative Action (AA) Plan with COUNTY in accordance with the requirements of chapter 19 of the Dane County Code of Ordinances. PROVIDER shall submit a copy of its discrimination complaint form with its CRC/AA Plan. The CRC/AA Plan must be submitted prior to the effective date of this Agreement and failure to do so by said date shall constitute grounds for immediate termination of this Agreement by COUNTY. If an approved plan has been received during the previous CALENDAR year, a plan update is acceptable. The plan may cover a two-year period. Providers who have less than twenty employees, but who receive more than \$20,000 from the COUNTY in annual contracts, may be required to submit a CRC Action Plan to correct any problems discovered as the result of a complaint investigation or other Civil Rights Compliance monitoring efforts set forth herein below. If PROVIDER submits a CRC/AA Plan to a Department of Workforce Development Division or to a Department of Health and Family Services Division that covers the services purchased by COUNTY, a verification of acceptance by the State of PROVIDER's Plan is sufficient.
- B. PROVIDER agrees to comply with the COUNTY's civil rights compliance policies and procedures. PROVIDER agrees to comply with civil rights monitoring reviews performed by the COUNTY, including the examination of records and relevant files maintained by the

PROVIDER shall supply to COUNTY's Contract Compliance Officer upon request a summary document of all client complaints related to perceived discrimination in service delivery. These documents shall include names of the involved persons, nature of the complaints, and a description of any attempts made to achieve complaint resolution.
- D. PROVIDER shall provide copies of all announcements of new employment opportunities to COUNTY's Contract Compliance Officer when such announcements are issued.
- E. If PROVIDER is a government entity having its own compliance plan, PROVIDER'S plan shall govern PROVIDER's activities.

**XII. COMPLIANCE WITH FAIR LABOR STANDARDS:**

- A. Reporting of Adverse Findings  
During the term of this Agreement, PROVIDER shall report to the County Contract Compliance Officer, within ten (10) days, any allegations to, or findings by the National Labor Relations Board (NLRB) or Wisconsin Employment Relations Commission (WERC) that PROVIDER has violated a statute or regulation regarding labor standards or relations. If an investigation by the Contract Compliance Officer results in a final determination that the matter adversely affects PROVIDER'S responsibilities under this Agreement, and which recommends termination, suspension or cancellation of this agreement, the County may take such action.
- B. Appeal Process  
PROVIDER may appeal any adverse finding by the Contract Compliance Officer as set forth in Dane County Ordinances Sec. 25.08(20)(c) through (e).
- C. Notice Requirement

**XIV. FINANCIAL INTEREST PROHIBITED:**

Under s. 946.13, Wis. Stats. COUNTY employees and officials are prohibited from holding a private pecuniary interest, direct or indirect, in any public contract. By executing this Agreement, each party represents that it has no knowledge of a COUNTY employee or official involved in the making or performance of the Agreement that has a private pecuniary interest therein. It is expressly understood and agreed that any subsequent finding of a violation of s. 946.13, Wis. Stat. may result in this Agreement being voided at the discretion of the COUNTY.

**XV. LIMITATION OF AGREEMENT:**

This Agreement is intended to be an agreement solely between the parties hereto and for their benefit only. No part of this Agreement shall be construed to add to, supplement, amend, abridge

or repeal existing duties, rights, benefits or privileges of any third party or parties, including but not limited to employees of either of the parties.

**XVI. ENTIRE AGREEMENT:**

The entire agreement of the parties is contained herein and this Agreement supersedes any and all oral agreements and negotiations between the parties relating to the subject matter hereof. The parties expressly agree that this Agreement shall not be amended in any fashion except in writing, executed by both parties.

**XVII. COUNTERPARTS:**

The parties may evidence their agreement to the foregoing upon one or several counterparts of this instrument, which together shall constitute a single instrument.

**XVIII. CONSTRUCTION:**

This Agreement shall not be construed against the drafter.

**XIX. COPIES VALID:**

This Agreement, and any amendment or addendum relating to it, may be executed and transmitted to any other party by legible facsimile reproduction or by scanned legible electronic PDF copy, and utilized in all respects as, an original, wet-inked manually executed document. Further, this Agreement and any amendment or addendum thereto, may be stored and reproduced by each party electronically, photographically, by photocopy or other similar process, and each party may at its option destroy any original document so reproduced. All parties hereto stipulate that any such legible reproduction shall be admissible in evidence as the original itself in any judicial, arbitration or administrative proceeding whether or not the original is in existence and whether or not such reproduction was made by each party in the regular course of business. This term does not apply to the service of notices under this Agreement.

**XX. REGISTERED AGENT, PROVIDER ENTITY:**

PROVIDER warrants that it has complied with all necessary requirements to do business in the State of Wisconsin, that the persons executing this Agreement on its behalf are authorized to do so, and, if a corporation, that the name and address of PROVIDER's registered agent is as set forth opposite the heading REGISTERED AGENT on page 1 of this Agreement. PROVIDER shall notify COUNTY immediately, in writing, of any change in its registered agent, his or her address, and PROVIDER's legal status. For a partnership, the term 'registered agent' shall mean a general partner.

**XXI. DEBARMENT:**

By signing this Contract, PROVIDER attests that it is not debarred from participating in federal procurements. COUNTY reserves the right to cancel this Contract if PROVIDER is presently, or is in the future, on the list of parties excluded from federal procurements.

**XXII. EXECUTION:**

A. The parties agree that execution of this document may be made by electronic signatures. The parties may make electronic signatures by typing the name of the authorized signature followed by the words, "electronically signed" or by any other electronic means representing an authorized signature by PROVIDER. PROVIDER shall ensure that only authorized persons may affix electronic signatures to this Agreement and COUNTY may rely that the electronic signature provided by PROVIDER is authentic.

The above amounts shall include all staff cost and other costs. The County agrees to provide auditor staff with parking permits at the Dane County Ramp.

### Hourly rates for additional services:

Partner in Charge	\$450
Principal	\$420
Manager	\$230
Staff Accountant	\$135

The above hourly rates increase in the second year of the Agreement by 6% and by 5% each year following.

Per the cost proposal response for RFP 2023-FRP-077-PR, the County's single audit effort is driven by the grant funding that it receives. Baker Tilly's pricing assumes that a maximum of three major federal programs and six major state programs will be required to be audited as part of the single audit each year. Any major programs in excess of these amounts will be completed at a cost of \$7,500 for each federal program, and \$5,500 for each state program.

## **Schedule C-Reports**

The reports and due dates shall follow those show in RFP #2023-RFP-007-PR

## SCHEDULE D

August 22, 2023

Mr. Charles Hicklin, Controller  
County of Dane  
Controller's Office, City-County Building  
210 Martin Luther King, Jr. Blvd., Room 426  
Madison, Wisconsin 53703-3345

Dear Mr. Hicklin:

Thank you for using Baker Tilly US, LLP (Baker Tilly, we, our) as your auditors.

The purpose of this letter (the Engagement Letter) is to confirm our understanding of the terms and objectives of our engagement and the nature of the services we will provide as independent accountants of the County of Dane (Client, you, your).

### **Service and Related Report**

We will audit the basic financial statements of the County of Dane as of and for the year ended December 31, 2023 - 2027, and the related notes to the financial statements. Upon completion of our audit, we will provide the County of Dane with our audit report on the financial statements and supplemental information referred to below. If, for any reasons caused by or relating to the affairs or management of the County of Dane, we are unable to complete the audit or are unable to or have not formed an opinion, or if we determine in our professional judgment the circumstances necessitate, we may withdraw and decline to issue a report as a result of this engagement.

In order to perform the professional services outlined in this Engagement Letter, Baker Tilly requires access to information subject to Title II of the Health Insurance Portability and Accountability Act of 1996 (HIPAA). Federal law requires Baker Tilly to execute a Business Associate Agreement (BA Agreement) prior to being granted this information. For your convenience, we have attached our firm standard BA Agreement for your review and signature as Addendum A. Please execute and return a copy with this Engagement Letter, keeping the original BA Agreement on file with your HIPAA compliance records.

The following supplementary information accompanying the financial statements will also be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and our auditor's report will provide an opinion on it in relation to the financial statements as a whole.

- > Combining and Individual Fund Financial Statements

The following supplementary information will also be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and our auditor's report will provide an opinion on it in relation to the financial statements as a whole.

- > Schedule of Expenditures of Federal and State Awards

Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis, to supplement the County of Dane's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. As part of our engagement, we will apply certain limited procedures to the County of Dane's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's response to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

- > Management's Discussion and Analysis
- > Budget Comparison Schedules
- > OPEB - related schedules
- > Pension - related schedules

We will read the following other information accompanying the financial statements to identify any material inconsistencies with the audited financial statements; however, the other information will not be subjected to the auditing procedures applied in our audit of the financial statements and our auditor's report will not provide an opinion or any assurance on that other information:

- > Introductory Section
- > Statistical Section

In addition, we will audit the schedule of passenger facility charge revenues and expenses for the year ended December 31, 2023 - 2027, and will report on compliance with requirements of the passenger facility charge program, and report on internal control over compliance related to that program.

The Tax 16 accompanying the financial statements will also be subject to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and our auditor's report will provide an opinion on it in relation to the financial statements as a whole.

Our report does not include reporting on key audit matters.

### **Our Responsibilities and Limitations**

The objective of a financial statement audit is the expression of an opinion on the financial statements. We will be responsible for performing that audit in accordance with auditing standards generally accepted in the United States of America (GAAS). These standards require that we plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement, whether caused by error or fraud. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. A misstatement is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user based on the financial statements. The objective also includes reporting on:

- > Internal control related to the financial statements and compliance with laws, regulations and the provisions of contracts or grant agreements, noncompliance with which could have a direct and material effect on the financial statements in accordance with *Government Auditing Standards*.
- > Internal control related to major programs and an opinion (or disclaimer of opinion) on compliance with laws, regulations and the provisions of contracts or grant agreements that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and OMB *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance) and the *State Single Audit Guidelines*.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states (i) that the purpose of the report is solely to describe the scope of testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (ii) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

We will be responsible for performing the audit in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; the Uniform Guidance and the *State Single Audit Guidelines*, and will include tests of accounting records, a determination of major program(s) in accordance with the Uniform Guidance and the *State Single Audit Guidelines*, and other procedures we consider necessary to enable us to express such opinions and to render the required reports.

Mr. Charles Hicklin, Controller  
County of Dane

August 22, 2023  
Page 4

As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We will also:

- > Identify and assess the risks of material misstatement of the financial statements and supplemental information, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- > Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements and supplemental information that we have identified during the audit.
- > Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements and supplemental information, including the disclosures, and whether the financial statements and supplemental information represent the underlying transactions and events in a manner that achieves fair presentation.
- > Conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.

Because of the inherent limitations of an audit, together with the inherent limitations of internal controls, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse. Our audit will include examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. Our audit does not relieve management or those charged with governance of their responsibilities. Our audit is limited to the period covered by our audit and does not extend to any later periods during which we are not engaged as auditor.

The audit will include obtaining an understanding of the County of Dane and its environment, including internal controls, sufficient to assess the risks of material misstatement of the financial statements and to determine the nature, timing and extent of further audit procedures. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. However, during the audit, we will communicate to management and those charged with governance internal control matters that are required to be communicated under professional standards. We will also inform you of any other matters involving internal control, if any, as required by *Government Auditing Standards*, the Uniform Guidance and the *State Single Audit Guidelines*.

Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance and the *State Single Audit Guidelines*, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal and major state award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control over compliance issued pursuant to the Uniform Guidance and the *State Single Audit Guidelines*.

Also, if required by *Government Auditing Standards*, we will report known or likely fraud, illegal acts, violations of provisions of contracts or grant agreements, or abuse directly to parties outside of the County of Dane.

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the County of Dane's compliance with the provisions of applicable laws, regulations, contracts and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance and the *State Single Audit Guidelines* require that we also plan and perform the audit to obtain reasonable assurance about whether you have complied with applicable laws and regulations and the provisions of contracts and grant agreements applicable to major programs. Our procedures will consist of test of transactions and other applicable procedures described in the OMB Compliance Supplement and the *State Single Audit Guidelines* for the types of compliance requirements that could have a direct and material effect on each of the County of Dane's major programs. The purpose of those procedures will be to express an opinion on your compliance with requirements applicable to each of your major programs in our report on compliance issued pursuant to the Uniform Guidance and the *State Single Audit Guidelines*.

We are also responsible for determining that those charged with governance are informed about certain other matters related to the conduct of the audit, including (i) our responsibility under GAAS, (ii) an overview of the planned scope and timing of the audit, and (iii) significant findings from the audit, which include (a) our views about the qualitative aspects of your significant accounting practices, accounting estimates, and financial statement disclosures; (b) difficulties encountered in performing the audit; (c) uncorrected misstatements and material corrected misstatements that were brought to the attention of management as a result of auditing procedures; and (d) other significant and relevant findings or issues (e.g., any disagreements with management about matters that could be significant to your financial statements or our report thereon, consultations with other independent accountants, issues discussed prior to our retention as independent auditors, fraud and illegal acts, and all significant deficiencies and material weaknesses identified during the audit). Lastly, we are responsible for ensuring that those charged with governance receive copies of certain written communications between us and management including written communications on accounting, auditing, internal controls or operational matters and representations that we are requesting from management.

The audit will not be planned or conducted in contemplation of reliance of any specific third party or with respect to any specific transaction. Therefore, items of possible interest to a third party will not be specifically addressed and matters may exist that would be addressed differently by a third party, possibly in connection with a specific transaction.

### **Management's Responsibilities**

You are responsible for identifying and ensuring that the entity complies with applicable laws, regulations, contracts, agreements, and grants and for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts or grant agreements, or abuse that we report. Additionally, as required by the Uniform Guidance and the *State Single Audit Guidelines*, it is management's responsibility to follow up and take corrective action on reported audit findings and to prepare a summary schedule of prior audit findings and a corrective action plan. The summary schedule of prior audit findings should be available for our review before we begin fieldwork.

Mr. Charles Hicklin, Controller  
County of Dane

August 22, 2023

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying for us previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed above. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits or studies. You are also responsible for providing management's views on our current findings, conclusions and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

You are responsible for the preparation of the supplementary information in conformity with GAAP. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the representation letter that (a) you are responsible for presentation of the supplementary information in accordance with GAAP; (b) that you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (c) that the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (d) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

You are responsible for preparation of the schedule of expenditures of federal and the awards (including notes and noncash assistance received) in conformity with the Uniform Guidance and the *State Single Audit Guidelines*. You agree to include our report on the schedule of expenditures of federal and the awards in any document that contains and indicates that we have reported on the schedule of expenditures of federal and the awards. You also agree to make the audited financial statements readily available to intended users of the schedule of expenditures of federal and the awards no later than the date the schedule of expenditures of federal and the awards is issued with our report thereon. Your responsibilities include acknowledging to us in a written representation letter that (a) you are responsible for presentation of the schedule of expenditures of federal and the awards in accordance with the Uniform Guidance and the *State Single Audit Guidelines*; (b) that you believe the schedule of expenditures of federal and the awards including its form and content, is fairly presented in accordance with the Uniform Guidance and the *State Single Audit Guidelines*; (c) that the methods of measurement or presentation have not changed from those used in the prior year (or, if they have changed, the reasons for such changes); and (d) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal and the awards.

Management is responsible for (i) adjusting the basic financial statements to correct material misstatements and for affirming to us in a management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period under audit are immaterial, both individually and in the aggregate, to the basic financial statements taken as a whole, and (ii) notifying us of all material weaknesses, including other significant deficiencies, in the design or operation of your internal control over financial reporting that are reasonably likely to adversely affect your ability to record, process, summarize and report external financial data reliably in accordance with GAAP. Management is also responsible for identifying and ensuring that the County of Dane complies with the laws and regulations applicable to its activities.

As part of our audit process, we will request from management and, when appropriate, those charge with governance written confirmation concerning representations made to us in connection with the audit.

County of Dane

### **Nonattest Services**

Prior to or as part of our audit engagement, it may be necessary for us to perform certain nonattest services. For purposes of this letter, nonattest services include services that *Government Auditing Standards* refers to as nonaudit services.

- > Preparation of trial balance from trust reports
- > Propose adjusting journal entries, as necessary

None of these nonattest services constitute an audit under generally accepted auditing standards including *Government Auditing Standards*.

We will not perform any management functions or make management decisions on your behalf with respect to any nonattest services we provide.

In connection with our performance of any nonattest services, you agree that you will:

- > Continue to make all management decisions and perform all management functions, including approving all journal entries and general ledger classifications when they are submitted to you.

In addition, you agree to provide us, for our approval and consent, proofs before printing and final materials before distribution.

The County of Dane may wish to include our report on these financial statements in an official statement or some other securities offering. You agree that the aforementioned audit report or reference to Baker Tilly will not be included in such offering without our prior written permission or consent. Upon notification, auditing standards will require our involvement with the official statement, and any procedures related to this involvement will be a separate agreement.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your Internet website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

At the conclusion of our engagement, we will complete the appropriate auditor sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to complete the auditee sections and to submit the reporting package (including financial statements, schedule of expenditures of federal and state awards, summary schedule of prior year audit findings, auditors' reports and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. If applicable, we will provide copies of our report for you to include within the reporting package you will submit to pass-through entities. The Data Collection Form and the reporting package must be submitted within the earlier of thirty (30) days after receipt of the auditors' reports or nine (9) months after the end of the audit period.

We will provide copies of our reports to the County of Dane, however, management is responsible for distribution of the reports and the financial statements. Copies of our reports are to be made available for public inspection unless restricted by law or regulation or if they contain privileged and confidential information.

The documentation for this engagement, including the workpapers, is the property of Baker Tilly and constitutes confidential information. However, pursuant to authority given by law or regulation, we may be requested to make certain audit documentation available to federal or state agencies for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Baker Tilly personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

We may have a responsibility to retain the documentation for a period of time sufficient to satisfy any applicable legal or regulatory requirements for records retention. Baker Tilly does not retain any original client records; so we will return such records to you at the completion of the services rendered under this engagement. When such records are returned to you, it is the County of Dane's responsibility to retain and protect its accounting and other business records for future use, including potential review by any government or other regulatory agencies. By your signature below, you acknowledge and agree that, upon the expiration of the documentation retention period, Baker Tilly shall be free to destroy our workpapers related to this engagement. If we are required by law, regulation or professional standards to make certain documentation available to regulators, the County of Dane hereby authorizes us to do so.

*Government Auditing Standards* require that we provide you with a copy of our most recent external peer review report and any subsequent peer review reports received during the period of the contract. We previously sent you our most recent peer review report.

### **Timing and Fees**

Completion of our work is subject to, among other things, (i) appropriate cooperation from the County of Dane's personnel, including timely preparation of necessary schedules, (ii) timely responses to our inquiries, and (iii) timely communication of all significant accounting and financial reporting matters. When and if for any reason the County of Dane is unable to provide such schedules, information, and assistance, Baker Tilly and you may mutually revise the fee to reflect additional services, if any, required of us to complete the audit. Delays in the issuance of our audit report beyond the date that was originally contemplated may require us to perform additional auditing procedures which will likely result in additional fees.

Certain changes in the County of Dane's business or within its accounting department may result in additional fees not contemplated as part of the original engagement quote provided below. Examples of such changes include but are not limited to: implementation of new general ledger software or a new chart of accounts; the creation of new funds, departments or component units; other significant changes in operations; new financing arrangements or modifications to existing financing arrangements; significant new federal or state funding; government combinations; significant new employment agreements; complex research matters; and significant subsequent events. Any additional fees associated with these business or accounting changes would not be expected to be recurring in nature.

Revisions to the scope of our work will be communicated to you and may be set forth in the form of an "Amendment to Existing Engagement Letter." In addition, if we discover compliance issues that require us to perform additional procedures and/or provide assistance with these matters, fees at our standard hourly rates apply.

Our fees for our audit services will be as detailed in our Financial Audit Services RFP #2023-RFP-077-PR submitted June 29, 2023. Invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes thirty (30) days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notice of termination, even if we have not completed our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

We may, with your prior consent, use temporary contract staff to perform certain tasks on your engagement and will bill for that time at the rate that corresponds to Baker Tilly staff providing a similar level of service. Upon request, we will be happy to provide details on training, supervision and billing arrangements we use in connection with these professionals. Additionally, we may from time to time, and depending on the circumstances, use service providers (e.g., to act as a specialist or audit an element of the financial statements) in serving your account. We may share confidential information about you with these contract staff and service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all contract staff and service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the contract staff or third-party service provider. Furthermore, the firm will remain responsible for the work provided by any such contract staff or third-party service providers.

We may be required to disclose confidential information to federal, state and international regulatory bodies or a court in criminal or other civil litigation. In the event that we receive a request from a third party (including a subpoena, summons or discovery demand in litigation) calling for the production of information, we will promptly notify the County of Dane, unless otherwise prohibited. In the event we are requested by the County of Dane or required by government regulation, subpoena or other legal process to produce our engagement working papers or our personnel as witnesses with respect to services rendered to the County of Dane, so long as we are not a party to the proceeding in which the information is sought, we may seek reimbursement for our professional time and expenses, as well as the fees and legal expenses, incurred in responding to such a request.

We may be required to disclose confidential information with respect to complying with certain professional obligations, such as peer review programs. All participants in such peer review programs are bound by the same confidentiality requirements as Baker Tilly and its employees. Baker Tilly will not be required to notify the County of Dane if disclosure of confidential information is necessary for peer review purposes.

Our fees are based on known circumstances at the time of this Engagement Letter. Should circumstances change significantly during the course of this engagement, we will discuss with you the need for any revised audit fees. This can result from changes at the County of Dane, such as the turnover of key accounting staff, the addition of new funds or significant federal or state programs or changes that affect the amount of audit effort from external sources, such as new accounting and auditing standards that become effective that increase the scope of our audit procedures. This Engagement Letter currently includes all auditing and accounting standards and the current single audit guidance in effect as of the date of this letter.

We would expect to continue to perform our services under the arrangements discussed above from year to year, unless for some reason you or we find that some change is necessary. We will, of course, be happy to provide the County of Dane with any other services you may find necessary or desirable.

### **Resolution of Disagreements**

In the unlikely event that differences concerning services or fees should arise that are not resolved by mutual agreement, both parties agree to attempt in good faith to settle the dispute by escalating the matter internally before resorting to litigation or any other dispute-resolution procedure. Upon the termination or expiration of the Engagement Letter or this BA Agreement, Business Associate agrees to return the PHI to Covered Entity, destroy the PHI (and retain no copies) or if Business Associate determines that return or destruction of the PHI is not feasible, (a) continue to extend the protections of this BA Agreement and of the HIPAA Requirements to the PHI and (b) limit any further uses and disclosures of the PHI to the purpose making return or destruction infeasible.

    - (5) Take all commercially reasonable steps to mitigate, to the extent practicable, any harmful effect that is known to Business Associate resulting from any unauthorized access, use, disclosure, modification or destruction of PHI;
    - (6) Permit termination of this BA Agreement if the Covered Entity determines that Business Associate has violated a material term of this BA Agreement with respect to Business Associate's security obligations and Business Associate is unable to cure the violation; and
    - (7) Upon Covered Entity's request, provide Covered Entity with access to and copies of documentation regarding Business Associate's safeguards for PHI and Electronic PHI.

(d) Notice and Reporting Obligations of Business Associate

- (i) Notice of Noncompliance with the BA Agreement. Business Associate will notify Covered Entity within 30 calendar days after discovery, any unauthorized access, use, disclosure, modification or destruction of PHI (including any successful Security Incident) that is not permitted by this BA Agreement, by applicable law or permitted in writing by Covered Entity, whether such noncompliance is by (or at) Business Associate or by (or at) a Business Associate Subcontractor.
- (ii) Notice of Breach. Business Associate will notify Covered Entity following discovery and without unreasonable delay but in no event later than 30 calendar days following discovery, any Breach of Unsecured Protected Health Information, whether such Breach is by Business Associate or by Business Associate Subcontractor.

(1) As provided for in 45 C.F.R. § 164.402, Business Associate recognizes and agrees that any acquisition, access, use or disclosure of PHI in a manner not permitted under the HIPAA Privacy Rule (Subpart E of 45 C.F.R. Part 164) is presumed to be a Breach. As such, Business Associate shall (i) notify Covered Entity of any nonpermitted acquisition, access, use or disclosure of PHI and (ii) assist Covered Entity in performing (or at Covered Entity's direction, perform) a risk assessment to determine if there is a low probability that the PHI has been compromised.

(2) Business Associate shall cooperate with Covered Entity in meeting the Covered Entity's obligations under the HIPAA Requirements and any other security breach notification laws. Business Associate shall follow its notification to the Covered Entity with a report that meets the requirements outlined immediately below.

(iii) Reporting Obligations.

(1) For Successful Security Incidents and Breaches, Business Associate – without unreasonable delay and in no event later than 30 calendar days after Business Associate learns of such nonpermitted use or disclosure (whether at Business Associate or at Business Associate Subcontractor) – shall provide Covered Entity a report that will:

- a. Identify (if known) each individual whose Unsecured Protected Health Information has been or is reasonably believed by Business Associate to have been accessed, acquired or disclosed;

- d. Identify what corrective action Business Associate (or Business Associate Subcontractor) took or will take to prevent further nonpermitted accesses, uses or disclosures;
- e. Identify what Business Associate (or Business Associate Subcontractor) did or will do to mitigate any deleterious effect of the nonpermitted access, use or disclosure; and
- f. Provide such other information, including a written report, as the Covered Entity may reasonably request.

(2) For Unsuccessful Security Incidents, Business Associate shall provide Covered Entity, upon its written request, a report that:

- a. identifies the categories of Unsuccessful Security Incidents as described in Section 4(c)(iii)(4),
- b. indicates whether Business Associate believes its (or its Business Associate Subcontractor's) current defensive security measures are adequate to address all Unsuccessful Security Incidents, given the scope and nature of such attempts and
- c. if the security measures are not adequate, the measures Business Associate (or Business Associate Subcontractor) will implement to address the security inadequacies.

(iv) Termination.

(1) Covered Entity and Business Associate each will have the right to terminate this BA Agreement if the other Party has engaged in a pattern of activity or practice that constitutes a material breach or violation of Business Associate's or the Covered Entity's respective obligations regarding PHI under this BA Agreement and, on notice of such material breach or violation from the Covered Entity or Business Associate, fails to take reasonable steps to cure the material breach or end the violation.

(2) If Business Associate or Covered Entity fail to cure the material breach or end the violation after the other Party's notice, Covered Entity or Business Associate (as applicable) may terminate this BA Agreement by providing Business Associate or Covered Entity written notice of termination, stating the uncured material breach or violation that provides the basis for the termination and specifying the effective date of the termination. Such termination shall be effective 60 days from this termination notice.

(v) Continuing Privacy and Security Obligations. Business Associate's and Covered Entity's obligation to protect the privacy and security of the PHI it created, received, maintained or transmitted in connection with services to be provided under the Engagement Letter and this BA Agreement will be continuous and survive termination, cancellation, expiration or other conclusion of this BA Agreement or the Engagement Letter. Business Associate's other obligations and rights, and Covered Entity's obligations and rights upon termination, cancellation, expiration or other conclusion of this BA Agreement, are those set forth in this BA Agreement and/or the Engagement Letter.
