E. Reports to Committee

1 City of Madison Data Sharing Issue

VIOLANTE and FRICK reported on an issue with the transfer of data from the City of Madison Assessors Office due to system changes. The City tax parcel data is not showing in AccessDane and the parcel publish because the county is not able to bring in a workable file. This has impacts across County departments. The County is working with the City to try and get this resolved but it is complicated.

2 Legislative Update: Judicial Privacy Act

IAUSLY reported that Act 25 for the Judicial Privacy Law was passed. This trailer legislation corrected issues that were created in Act 235 and provides more workable model for the municipal, county, and state agencies to provide judicial privacy.

3 Legislative Update: Real Estate Transfer Fee

IAUSLY reported that the RETF, 2025 SB-218 did go to before a Senate Committee. It was approved and now waiting for it and 2025 AB-216 to be brought to the floor of the two chambers for a vote. No word when that would be. Budget concerns in the Assembly and Senate are impacting these and a number of other bills.
