The DCSO Cadet Program provides mentoring of young adults to serve their communities by providing knowledge, skills, and practical experiences through education and training, delivered by public safety professionals that build character, physical fitness, and respect for the rule of law. The Cadet Program is a proven recruiting and retention pathway for the Sheriff's Office and cadets learn skills to compete in competitions as a team, against other cadet programs across the state.

The Sheriff's Office requests authorization for the creation of revenue and expenditure accounts and to establish the capacity for the DCSO Cadet Program to receive monetary and non-monetary donations from public and private sources, to be used to enhance the DCSO Cadet Program.
