Surveyor: Chris Casson, Birrenkott

The following survey of lands was received and examined by this department:

Section 24, Oregon

Owner/Development: Nicholas & Kayla Rivera

**Comments:**

CTH MM is a controlled access highway. No access designated across the frontage of CTH MM is correct. The CTH MM 33' and 50' width of Right of Way along Lot 1 is correct. Any future change to existing access or change of use requires a new access permit from the Highway Department. Right of way appears to be correct.

**Notes:**

Permit to Access 22C-002 is for widening the access for small business.  
Modifications not completed.

Permit to Access 06C-009 is for Residential Joint Access, up to 3 single family homes.

Permit to Access 06C-008 is for relocating the access to the south property line.  
Completed.
