**Motion:**  
(revenue/expenditure/text effect)

Increase expenditures by \$50,000 to fund overtime for Sherriff's office personnel to organize efforts and initiatives aimed at arresting individuals with outstanding felony warrants, prioritizing the most dangerous offenders.

<b>FTE Effect:</b>	-
--------------------	---

<b>Line Item Detail:</b>			
Org	Object	DESCRIPTION:	Amount
SHRFFLD	10027	OVERTIME	\$40,783
SHRFFLD	10099	RETIREMENT	\$6,097
SHRFFLD	10108	SOCIAL SECURITY	\$3,120

**Intent/Justification**

Dane County currently has over 4,000 active warrants, with 1,406 of those being felony warrants as of 9/23. The purpose of this budget amendment is to provide resources for the Sherriff's office to focus on apprehending individuals with outstanding felony warrants who pose a significant risk to public safety.

This funding is intended exclusively for felony warrants and will enable the Sherriff's office to offer voluntary overtime to detectives and deputies. The additional time will allow them to organize and implement strategic efforts to target the most dangerous offenders. By focusing on violent felony warrants, this initiative seeks to enhance public safety and initiate the process of bringing these individuals to justice and, eventually, rehabilitation.

This amendment mirrors a previous proposal, recognizing that gaps remain in prioritizing this work. The intention is for the Sherriff's office to treat this as a grant, jumpstarting efforts while the County continues to seek state and federal funding to support similar initiatives. By allocating these funds, Dane County aims to make our community a safer place by ensuring that individuals with dangerous felony warrants are apprehended in a timely and organized manner.

<b>Intent/Justification</b>				
<p>DCDHS is the largest county department and requires more attorney time. Over the last several years, only one assistant corporation counsel has been dedicated to provide general legal services to the department. Approximately 60% of the attorney's time is spent working on legal matters related to Dane County's affordable housing agreements. As Dane County seeks to continue and expand its affordable housing efforts, an additional attorney is needed to ensure leases and other real estate transaction documents are drafted, executed, and enforced without delay due to understaffing. As DCDHS-HAA continues to innovate and expand its housing initiatives, there are more potential contract compliance issues and fair housing complaints to investigate pursuant to chapter 31, Dane County Ords. Finally, DCDHS has asked for a capital budget item to modernize their records system with a new case management system to handle electronic health records. The expansive use of such records will be a huge shift for the Department and will lead to a variety of legal issues that will be first impressions.</p>
