**RE: Conditional Approval of Zoning Petition 12045
Delayed Effective Date Deadline**

Please be advised that rezone petition **#12045** has been conditionally approved by the Dane County Board. However, specific conditions are required to be met within a limited time in order for the zoning change to become effective.

Attached is the ordinance amendment which lists the conditions of approval. The conditions listed on the attached zoning ordinance amendment shall be completed prior to the delayed effective date of:

Conditional approval expires: **September 16, 2026**

If a Certified Survey Map is required, please contact your surveyor to submit a survey application as soon as possible. A survey submitted close to or on the delayed effective date may cause the zoning approval to become null and void.

If you are not able to meet these conditions by the specified deadline date, contact the Zoning Department to communicate your reasons for needing more time. A limited extension may be granted for extenuating circumstances.

If you have any questions or concerns, please contact the Zoning Division at (608) 266-4266.

Sincerely,

Roger Lane
Zoning Administrator
