UPGRADES TO DANECOM EISNER TOWER

Public Safety Communications' (PSC) maintains radio towers that allow the functionality of the DaneCom radio system. One of these towers is the Eisner tower located at 5419 Reeve Road in the Village of Mazomanie. US CELLULAR is currently replacing the tower with rental abatement provided by Dane County. Updated technology to the Eisner tower is being provided by DaneCom maintenance provider RACOM at a cost of \$302,116.02. This expense will be funded out of PSC's Capital budget and reimbursed by US CELLULAR within the 2025 budget year.

NOW, THEREFORE BE IT RESOLVED that Dane County does hereby approve the agreement between US Cellular and Dane County.
