

Dane County

Minutes - Final Unless Amended by Committee

Public Protection & Judiciary Committee

Consider:

Who benefits? Who is burdened?

Who does not have a voice at the table?

How can policymakers mitigate unintended consequences?

This meeting is being conducted on land now known and recognized as Dane County, Wisconsin. We acknowledge that this land is at the same time the ancestral, traditional, & contemporary land of the Ho-Chunk, Sauk & Kickapoo nations.

Pursuant to Wis. Stat. 59.54(16), receipt of revenue from the housing of federal prisoners, Federal Residents in Transit, shall not be authorized unless an agreement with the United States Marshall Service has been approved in advance by the County Board.

Prior to pursuing a contract for the housing of federal prisoners, the Dane County Board of Supervisors hereby requests that the Department of Administration and Division of Facilities Management perform a cost analysis for boarding the projected number of Federal Residents in Transit to determine an appropriate daily rate that reflects the actual cost of housing such individuals in the Dane County Jail. Findings of the analysis shall be presented to the Dane County Sheriff's Office and the Public Protection & Judiciary Committee. Any proposed contract for housing federal prisoners should include the rate resulting from the analysis, reflecting the actual cost of housing such individuals in the Dane County Jail.

The Dane County Board of Supervisors hereby requests that the U.S. Marshall Service provide justification to DCSO for each Federal Resident in Transit's housing status in the Dane County Jail, and that Federal Residents in Transit are only housed in the Dane County Jail if they have a pending hearing in Dane

County and/or personal connection to Dane County such as former residence or strong social connections. The Dane County Board of Supervisors further asserts that Dane County residents be housed in the Dane County jail and receive priority housing over any Federal Residents in Transit.

The Dane County Board of Supervisors hereby requests that DCSO present findings to the Public Protection & Judiciary Committee by August 2026 with an analysis of jail residents transported outside of Dane County and any changes in volume of transports relative to housing Federal Residents in Transit. The Dane County Board acknowledges and appreciates that daily jail census data continues to include details regarding transports and Federal Residents, among other data.
