Together with the 2026 Adopted Capital Budget Appropriations Resolution, this document shall constitute the County Budget as defined in s. 65.90, Wis. Stats.

NOW, THEREFORE, BE IT RESOLVED that in accordance with s. 65.90, Wis. Stats, the Dane County Board of Supervisors hereby appropriate for 2026 fiscal year operations, the expenditures and revenue amounts on lines designated as appropriations in the attached Table 3. Amounts on lines not designated as appropriations are for informational purposes only. Expenditures in excess of the amounts appropriated or use of general purpose revenues in excess of the amounts listed on the lines designated as appropriations shall require County Board authorization in accordance with s. 65.90(5), Wis. Stats.

BE IT FURTHER RESOLVED that the Dane County Board of Supervisors authorize carry-forward of expenditures and revenues from 2025 to 2026 as recommended in Table 5.

BE IT FURTHER RESOLVED that the Dane County Board of Supervisors authorizes positions for the 2026 fiscal year as shown in Table 7.

BE IT FURTHER RESOLVED that encumbrances on purchase orders outstanding at the end of 2025 are re-appropriated in 2026.

BE IT FURTHER RESOLVED that payments are authorized as required under sec. 74.41(5), Wis. Stats.

BE IT FURTHER RESOLVED that 2026 operating expenditures and revenues shall be subject to the following provisions and controls in addition to all budget control policies enumerated in D.C. Ord. sec. 29.52:

- The budgets for all departments having fifteen or more employees shall include a "Salary Savings" line that will be 2% of the budgeted "Salaries & Wages" account for that department.

Sub. 1 2025 RES-174, as amended
2026 DANE COUNTY OPERATING BUDGET APPROPRIATIONS RESOLUTION

- Pursuant to DCO 25.501(b), the Human Services contracts listed in Appendix A may be executed by the Director of Human Services.
- The Tamara D. Grigsby Office for Equity and Inclusion is renamed the Tamara D. Grigsby Dane County Civil Rights Department.
- It is the policy of Dane County that the projected unassigned general fund balance remain equal to or greater than 10% of the combined budgeted operating expenditures of the General Fund, including the Alliant Energy Center, the Human Services Fund, and the Badger Prairie Health Care Center Fund.
- The operating budget includes a 1% temporary wage reduction for unrepresented employees beginning in pay period 1. Managers and confidential employees will receive a one-time increase in their vacation granted hours of 21 hours in pay period 1. Upon passage of this resolution, the Department of Administration is asked to issue a temporary exception to provide the same vacation benefit to those employees subject to the Employee Benefit Handbook.
- The Department of Administration shall develop a retirement incentive program for managers and confidential employees encompassing a 6% increase in their sick leave and sabbatical bank conversion balance and earned vacation and holiday payout along with other non-monetary measures to facilitate the retirement of employees in 2026. The Department of Administration is asked to issue a temporary exception to provide the same retirement incentive program to those employees subject to the Employee Benefit Handbook.
- The following procedure will be applied at the end of fiscal year 2026. First, all fiscal activity in all funds will be closed according to Generally Accepted Accounting Principles, and any budgeted transfers other than between the general fund and the human services and badger prairie funds will be made. To the extent that the GPR requirement to balance the Human Services Fund is less than the amount budgeted, any surplus will be applied toward any deficit in the Badger Prairie Fund. The unassigned general fund balance shall be no less than 10% of the combined 2027 adopted expenditures in the General Fund, the Human Services Fund, and the Badger Prairie Fund. To the extent funds are available after the above items are applied, the remaining surplus of GPR budgeted for the human services fund will be retained in the human services fund and applied to future budgets for expenditures.
- The 2026 Operating Budget includes enhanced salary savings in the Sheriff's Office to recognize the continued number of vacant Deputy I-II positions and to allow resources to be reallocated to other pressing needs. Therefore, the Sheriff's Office will be required to maintain a minimum of 20 vacant Deputy I-II positions throughout fiscal year 2026.
- The administrative cost ceiling for human service provider agencies for programs reimbursed for monthly agency expenses for service costs shall be increased to 15% of the approved program budget total for 2026 funded contracts. This administrative ceiling applies to allowable and reasonable administrative support costs. Administrative funding adjustments will be offset by corresponding direct service cost reductions for budget neutrality.
- The operating budget includes \$1,064,203 to assist the City of Madison with the operational costs at the new Bartillon Men's Shelter. The intergovernmental agreement to deliver these funds to the city and to set terms, including but not limited to policies and procedures related to shelter operations and services, shall require the approval of the County Board including the Health and Human Needs Committee.

Sub. 1 2025 RES-174, as amended
2026 DANE COUNTY OPERATING BUDGET APPROPRIATIONS RESOLUTION

- 80
- 81 • The operating budget includes \$440,000 for homeless outreach and potential shelter overflow operations. These funds will be awarded by the
- 82 Department of Human Services through an request for proposal process. A draft RFP(s) will be presented to the Health and Human Needs Committee
- 83 for its reveiw and input. Any contract(s) resulting from the RFP award will be subject to approval by the County Board, including the Health and Human
- 84 Needs Committee.
- 85
- 86 • Amendment ZLR-O-01 restored the Regional Housing Assistant position in the Planning and Development Department. This position will remain vacant
- 87 until March 7, 2026. Prior to that date, the Department of Planning and Development will pursue 3 year commitments of outside revenue to support half
- 88 ten percent of the position cost. If such efforts do not reveal adequate funding by March 7, 2026, then the position will not be filled during 2026 and will be
- 89 deleted in the 2027 budget. The Department of Administration will evaluate the outside funding commitments in making the determination on the future of
- 90 the position.
- 91
- 92 • Pursuant to Wis. Stat. 59.54(16), receipt of revenue from the housing of federal prisoners, Federal Residents in Transit, shall not be authorized unless an
- 93 agreement with the United States Marshall Service has been approved in advance by the County Board. Prior to pursuing a contract for the housing of
- 94 federal prisoners, the Dane County Board of Supervisors hereby requests that the Department of Administration and Division of Facilities Management
- 95 perform a cost analysis for boarding the projected number of Federal Residents in Transit to determine an appropriate daily rate that reflects the actual
- 96 cost of housing such individuals in the Dane County Jail. Findings of the analysis shall be presented to the Dane County Sheriff's Office and the Public
- 97 Protection & Judiciary Committee. Any proposed contract for housing federal prisoners should include the rate resulting from the analysis, reflecting the
- 98 actual cost of housing such individuals in the Dane County Jail. The Dane County Board of Supervisors hereby requests that the U.S. Marshall Service
- 99 provide justification to DCSO for each Federal Resident in Transit's housing status in the Dane County Jail, and that Federal Residents in Transit are only
- 100 housed in the Dane County Jail if they have a pending hearing in Dane County and/or personal connection to Dane County such as former residence or
- 101 strong social connections. The Dane County Board of Supervisors further asserts that Dane County residents be housed in the Dane County jail and
- 102 receive priority housing over any Federal Residents in Transit. The Dane County Board of Supervisors hereby requests that DCSO present findings to the
- 103 Public Protection & Judiciary Committee by August 2026 with an analysis of jail residents transported outside of Dane County and any changes in volume
- 104 of transports relative to housing Federal Residents in Transit. The Dane County Board acknowledges and appreciates that daily jail census data continues
- 105 to include details regarding transports and Federal Residents, among other data.
- 106
- 107 • The Controller is authorized to make technical corrections to the Budgeted Position List, subject to the review and approval by the County Board Chair.
- 108
- 109 • The Controller's Office may add standard "Personal Services" lines to department's budgets to properly account for Personal Services expenditures not
- 110 specifically budgeted for. The new accounts added will not change the department's total appropriation.
- 111
- 112 • The 2026 budget contains savings from the Hiring Moratorium Program. The operations of the Hiring Moratorium is described in Appendix B.

Appendix B – Hiring Moratorium Program

Hiring Moratorium

The 2026 Budget imposes a moratorium on all hiring except for specific exemptions and special considerations detailed below. The purpose of the moratorium is to maximize savings from position vacancies and to strategically fill vacant positions assigned to the most critical County government functions. Any position that is vacant as of January 1, 2026 or becomes vacant during the 2026 fiscal year will be subject to the hiring moratorium. The Department of Administration will administer the hiring moratorium.

Exemptions and Special Considerations

The hiring moratorium applies to all positions funded by general purpose revenue (GPR) even if the positions are partially GPR funded. Only those positions specifically identified below will be exempt from the moratorium.

- Non-GPR supported positions will be exempt from the moratorium. Non-GPR supported positions include those assigned to Dane County Regional Airport, Solid Waste, and positions supported completely and directly by federal, state, or other external revenues.
- The Chief Deputy, Captain, Deputy IV, Deputy III, Deputy I-II, Sheriff Aide, and Jail Clerk positions assigned to the Sheriff's Office are exempt from the moratorium.
- Any Lieutenant, Sergeant, or Administrative Services Supervisor/Manager position in the Sheriff's Office that becomes vacant during 2026 must be held open for at least twelve (12) weeks. Once the twelve (12) weeks has elapsed, the Department may proceed with the recruitment process without appeal.
- Certified Nursing Attendants and Registered Nurses assigned to the Badger Prairie Health Care Center are exempt from the moratorium.
- Child Protective Social Worker positions are exempt from the moratorium
- Public Safety Communicator and Communications Supervisor positions are exempt from the moratorium.

All other positions will be subject to the moratorium and will not be filled during 2026 unless, an appeal is granted by the County Executive.

Appeal Process

Departments may appeal to the County Executive to fill positions covered by the hiring moratorium. Appeals should be submitted to the Department of Administration. The Department will record the appeal and forward it to the County Executive for a final decision. These decisions will be made within sixteen (16) weeks of being received by the Department of Administration. Any appeal that is outstanding after the sixteen (16) week period will be automatically granted.
