2026 RES-036

AUTHORIZING A CONTRACT FOR AURELIAN CALL LOGGER

Public Safety Communications (“PSC”) seeks to improve the handling of non-emergency calls and enhance operational efficiency within its communications operations; and

WHEREAS, Aurelian Call Logger is a non-emergency call handling solution designed for use in public safety communications environments; and

WHEREAS, PSC has determined that implementation of Aurelian Call Logger will support operational needs through direct integration with PSC’s CentralSquare Enterprise CAD environment; and

WHEREAS, PSC desires to enter into a contract for the purchase, implementation, and related services associated with the Aurelian Call Logger at a cost of \$155,000 for the first year of services.

WHEREAS, pursuant to Dane County procurement requirements, a bid waiver was reviewed and approved for the purchase of the Aurelian Call Logger and related implementation and support services; and

NOW, THEREFORE, BE IT RESOLVED that the Dane County Board of Supervisors hereby approves the contract for Aurelian Call Logger for Public Safety Communications; and

BE IT FINALLY RESOLVED, that the County Executive and County Clerk are authorized to execute the contract as necessary to carry out the purposes of this resolution.
