3 **2025 RES-408**

4 **AUTHORIZING POS CONTRACT WITH WIS-HOPE FOR ROOM AND BOARD EXPENSES**
5 **DCDHS – BEHAVIORAL HEALTH DIVISION**

6 Wisconsin Medicaid funds residential treatment for substance use disorder for its members,
7 however, the benefit only extends to the treatment activities. The room and board costs
8 associated with residential treatment are not Medicaid reimbursable. Federal policy governing
9 Medicaid does not allow for the reimbursement of anything other than what are classified as
10 treatment expenses. The cost of the room and board at these providers is often a barrier to
11 treatment for Medicaid members. Therefore, Dane County Department of Human Services has
12 a number of contracts in place with Medicaid-approved residential treatment providers to pay for
13 the room and board costs for Medicaid members who are Dane County residents. The
14 department's projected rate of utilization was used to decide on the size of this contract. The
15 room and board rates at WisHope are \$90 per day for what is referred to as high-intensity
16 residential treatment.
