**AUTHORIZING A TEMPORARY LIMITED EASEMENT ON A CONSERVATION
EASEMENT FOR HIGHWAY 51 PROJECT**

In 2001, the County, in partnership with the Town of Dunn and Natural Heritage Land Trust n/k/a Groundswell Conservancy, acquired a Conservation Easement on approximately 324 acres of land on both sides of STH 51 in the Town of Dunn from Edward and Deborah Kramper.

The Wisconsin Department of Transportation (DOT) is reconstructing STH 51 and is requesting approximately 2,017 square feet of temporary limited easement on the Kramper's ownership which is encumbered with the Conservation Easement. This portion of the Conservation Easement will not be extinguished so there is no monetary compensation but DOT is requesting that the easement holders join in the Kramper's conveyance for the temporary limited easement.

NOW, THEREFORE, BE IT RESOLVED that the Dane County Board of Supervisors and the Dane County Executive hereby authorize the temporary limited easement of a on approximately 2,017 square feet of Conservation Easement; and

BE IT FINALLY RESOLVED that the Dane County Clerk and the County Executive are hereby authorized to execute a deed of conveyance on behalf of the County of Dane.
