4 **ADDENDUM TO PROVIDE SERVICES FOR NEW TELECOMMUNICATIONS EQUIPMENT**

5 Public Safety Communications (PSC) uses Comtech-Solacom to provide telephone hardware
6 and services. This equipment is vital to answer public 911 calls as well as non-emergency calls;
7 and

8
9 WHEREAS, PSC is currently constructing a new building that will have 31 new call taking and
10 dispatch stations; and

11
12 WHEREAS, Comtech-Solacom currently provides hardware and maintenance services for
13 telecommunications to PSC; and

14
15 WHEREAS, Comtech-Solacom has proposed services for installation and maintenance for 31
16 new stations with five (5) years of maintenance and support as an addendum to the existing
17 contract, for a total cost of \$120,592.50; and

18
19 NOW, THEREFORE BE IT RESOLVED that the Dane County Board of Supervisors hereby
20 approves the addendum of Comtech-Solacom' s current contract to include the installation of
21 new hardware and equipment and the five (5) year maintenance agreement between Dane
22 County and Comtech-Solacom at a total amount not to exceed \$120,592.50.

23
24 NOW BE IT FURTHER RESOLVED, that the Dane County Executive and the Dane County
25 Clerk are authorized to execute the necessary documents for the contract addendum.

DANE COUNTY CONTRACT

ADDENDUM # 1310I

Revised 11/2024

THIS ADDENDUM, made and entered into effective as of the date by which both parties hereto have executed this document, by and between the County of Dane (hereinafter referred to as “County”) and Comtech Solacom Technologies Inc., a member of Allerium Agency Solution (hereinafter referred to as “Provider”).

WITNESSETH:

WHEREAS Provider and County, by a separate document (hereinafter, the “Master Agreement”), Dane County Contract # 13120I, have previously entered into a contractual relationship pursuant to which Provider provides and maintains the Guardian Call Taking Solution platform and equipment.

WHEREAS County and Provider wish to amend the Master Agreement in order to provide maintenance and implementation services for installation of a new core and 31 new positions at the County’s new Public Safety Communications’ location and to extend the maintenance service by five years to 2031.

NOW, THEREFORE, in consideration of the above premises and the mutual covenants of the parties hereinafter set forth, the receipt and sufficiency of which is hereby acknowledged by each party for itself, the parties do agree as follows:

1. The Master Agreement shall remain in full force and effect unchanged in any manner by this addendum except as changes are expressly set forth herein. This addendum shall control only to the extent of any conflict between the terms of the Master Agreement and this addendum.
2. The Master Agreement, and any amendment or addendum to it, may be executed and transmitted to any other party by legible facsimile reproduction or by scanned legible electronic PDF copy, and utilized in all respects as, an original, wet-inked manually executed document. Further, the Master Agreement and any amendment or addendum thereto, may be stored and reproduced by each party electronically, photographically, by photocopy or other similar process, and each party may at its option destroy any original document so reproduced. All parties hereto stipulate that any such legible reproduction shall be admissible in evidence as the original itself in any judicial, arbitration or administrative proceeding whether or not the original is in existence and whether or not such reproduction was made by each party in the regular course of business. This term does not apply to the service of notices under the Master Agreement, or any subsequent amendment or addendum.
3. The term of the contract is extended through December 31, 2032 to continue the program for installation of a new core and 31 new positions as well as 5 years of maintenance for those 31 new positions, at an additional cost of \$120,592.50.

IN WITNESS WHEREOF, the parties, by their respective authorized representatives, have set their hands and seals as of the dates set forth below.

Detail: ***Budgetary Quote***

Customer has requested a new Side A Core identical to their current one, with the intention to install the new core and re-use their existing one as a backup. Customer also wishes to add 31 new positions.
New Side A Core will "re-use" existing Side A licenses. New positions will re-use 7 existing licenses.
Allerium (Solacom) is responsible for onsite installation services for the new core.
Customer has decided to provide their own Backroom Cabinet. Allerium (Solacom) to rack the equipment onsite

When a Solacom solution configuration includes a FortiGate edge device, it has been included for the known interfaces at the time of implementation. If interface requirements change in the future, including but not limited to, the ESInet using IPv6, SIP over TLS (Secure SIP), SRTP (Secure RTP), deep packet inspection and manipulation, etc., an additional edge device(s) may be required. Additionally, if transcoding is required (i.e., from ARM or ARM-WB to G711uLaw), an additional edge device may also be required.
