

Dane County

Minutes - Final Unless Amended by Committee

Environment, Agriculture & Natural Resources Committee

Consider:

Who benefits? Who is burdened?

Who does not have a voice at the table?

How can policymakers mitigate unintended consequences?

This meeting is being conducted on land now known and recognized as Dane County, Wisconsin. We acknowledge that this land is at the same time the ancestral, traditional, & contemporary land of the Ho-Chunk, Sauk & Kickapoo nations.

A motion was made by MARREN to recommend the following text to the 2026-2028 Dane County Legislative Agenda under Land Use, Land Records, and Land Regulation (485-490):

Oppose any state proposals that weaken Dane County's or its municipalities' ability to regulate land use and responsibly manage growth through zoning, land division, subdivision regulations, and shoreland, floodplain, and wetland protections.

Support legislation requiring that all state agencies treat adopted municipal and county comprehensive plans, farmland preservation plans, and zoning ordinances as binding in siting determinations.

Require formal approval by resolution of the affected municipality's governing body prior to state authorization of large-scale energy generation facilities, utility-scale solar installations, transmission corridors, battery storage facilities, data centers, or other high-impact infrastructure projects.

Reject state preemption that overrides locally adopted land use protections or permits the expansion of such projects without municipal consent.

A motion was made by BARUSHOK to recommend the following text to the 2026-2028 Dane County Legislative Agenda:

Safeguarding Lakes and Community Safety: Consider lake ecosystems, shorelines, docks, and community safety in regulating wake-enhanced activities, such as wakesurfing. Allow local communities to set stronger standards than any state minimums that are imposed through legislation.

The motions carried unanimously 5-0, YGP 1-0.

F. Presentations

Nonprofit Organizations that have utilized the Dane County Conservation Fund Grant Program in recent history or that may be interested in applying to the program are invited to present their organization to the Committee.
