Liquidated Damages shall not exceed the following:
 1. \$1,000 for each individual whose Confidential Information was used or disclosed;
 2. \$2,500 per day for each day that the Grantee fails to substantially comply with the Corrective Action Plan under this Section

- A. DHS reserves the right of approval of any Grantee's further contracts, grants, contractors, or grantees under this Agreement, and the Grantee shall report information relating to any further contract, grants, contractors, or grantees to DHS. A change in any further contractor or grantee or a change from a direct service provision to a further contractor or grantee may only be executed with the prior written approval of DHS. In addition, DHS approval may be required regarding the terms and conditions of any further contracts or grants and the further contractor or grantee selected. Approval of any further contracts, grants, contractors, or grantees will be withheld if DHS reasonably believes that the intended further contractor or grantee will not be a responsible contractor or grantee in terms of services provided and costs billed.
- B. The Grantee retains responsibility for fulfillment of all terms and conditions of this Agreement when it enters into any further contract or grant and will be subject to enforcement of all the terms and conditions of this Agreement.

14. GENERAL PROVISIONS

- A. Any payments of monies to the Grantee by DHS for goods and/or services provided under this Agreement shall be deposited in a Federal Deposit Insurance Corporation (the "FDIC") insured bank. Any balance exceeding FDIC coverage must be collaterally secured.
- B. The Grantee shall conduct all procurement transactions in a manner that provides maximum open and free competition.
- C. If a state public official (*see* Wis. Stat. § 19.42), a member of a state public official's immediate family, or any organization in which a state public official or a member of the official's immediate family owns or controls at least a 10 percent (10%) interest is a party to this Agreement and if this Agreement involves payment of more than \$3,000 within a 12-month period, this Agreement is void unless appropriate written disclosure is made, according to Wis. Stat. § 19.45(6), before signing the Agreement. Written disclosure, if required, must be made to the State of Wisconsin Ethics Commission at:

Wisconsin Ethics Commission
PO Box 7125
Madison, WI 53707-7125
Fax: (608) 264-9319
- D. If the Grantee or Subgrantee is a corporation other than a Wisconsin corporation, it must demonstrate, prior to providing services under this Agreement, that it possesses a *Certificate of Authority* from the State of Wisconsin Department of Financial Institutions, and must have and continuously maintain a registered agent, and otherwise conform to all requirements of Wis. Stat. chs. 180 and 181 relating to foreign corporations.
- E. The Grantee agrees that funds provided under this Agreement shall be used to supplement or expand the Grantee's efforts, not to replace or allow for the release of available Grantee funds for alternative uses.

15. ACCOUNTING REQUIREMENTS

- A. The Grantee's accounting system shall allow for accounting for individual grants, permit timely preparation of expenditure reports required by DHS as contained in Section 6 of this Agreement, and support expenditure reports submitted to DHS.
- B. The Grantee shall reconcile costs reported to DHS for reimbursement or as match to expenses recorded in the Grantee's accounting or simplified bookkeeping system on an ongoing and periodic basis. The Grantee agrees to complete and document reconciliation at least quarterly and to provide a copy to DHS upon request. The Grantee shall retain the reconciliation documentation according to approved records retention requirements.
- C. Expenditures of funds from this Agreement must meet the Department's allowable cost definitions as defined in the Department's Allowable Cost Policy Manual (<https://www.dhs.wisconsin.gov/business/allow-cost-manual.htm>).

16. CHANGES IN ACCOUNTING PERIOD

- A. The Grantee shall notify DHS of any change in its accounting period and provide proof of Internal Revenue Service (IRS) approval for the change.
- B. Proof of IRS approval shall be considered verification that the Grantee has a substantial business reason for changing its accounting period.

- C. A change in accounting period shall not relieve the Grantee of the reporting or audit requirements of this Agreement. An audit meeting the requirements of this Agreement shall be submitted within ninety (90) days after the first day of the start of the new accounting period for the short accounting period and within one hundred and eighty (180) days of the close of the new accounting period for the new period. For purposes of determining audit requirements, expenses and revenues incurred during the short accounting period shall be annualized.

17. PROPERTY MANAGEMENT REQUIREMENTS

- A. Property insurance coverage will be provided by the Grantee for fire and extended coverage of any equipment funded under this Agreement which DHS retains ownership of and which is in the care, custody, and control of the Grantee.
- B. DHS shall have all ownership rights in any computer hardware supplied by DHS as a result of this Agreement. DHS shall have all ownership rights in any software or modifications thereof and associated documentation that is designed and installed or developed and installed under this Agreement. The Grantee shall have all ownership rights in any computer hardware funded under this Agreement and will have a nonexclusive, nontransferable license to use for its purposes of the software or modifications and associated documentation that is designed and/or installed under this Agreement.
- C. The Grantee agrees that if any materials are developed under this Agreement, DHS shall have a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use and to authorize others to use such materials. Any discovery or invention arising out of, or developed in the course of, work aided by this Agreement shall be promptly and fully reported to DHS.

18. AUDITS

- A. *Requirement to Have an Audit:* Unless waived by DHS, the Grantee shall submit an annual audit to DHS if the total amount of annual funding provided by DHS (from any and all of its Divisions or subunits taken collectively) through this and other Grants is \$100,000 or more. In determining the amount of annual funding provided by DHS, the Grantee shall consider both: (a) funds provided through direct Grants with DHS; and (b) funds from DHS passed through another agency which has one or more Grants with the Grantee.
- B. *Audit Requirements:* The audit shall be performed in accordance with generally accepted auditing standards, Wis. Stat. § 46.036, Government Auditing Standards as issued by the U.S. Government Accountability Office, and other provisions specified in this agreement. In addition, the Grantee is responsible for ensuring that the audit complies with other standards and guidelines that may be applicable depending on the type of services provided and the amount of pass-through dollars received. Please reference the following audit documents for complete audit requirements:
- 2 Code of Federal Regulations (C.F.R.), Part 200 - Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, Subpart F – Audit Requirements. The guidance also includes an Annual Compliance Supplement that details specific federal agency rules for accepting federal subawards.
 - The State Single Audit Guidelines (SSAG) expand on the requirements of 2 C.F.R. Part 200 Subpart F by identifying additional conditions that require a state single audit. Section 1.4 of the SSAG lists the required conditions.
 - DHS Audit Guide is an appendix to the SSAG and contains additional DHS-specific audit guidance for those entities who meet the SSAG requirements. It also provides guidance for those entities that are not required to have a Single Audit but need to comply with DHS subrecipient/contractor audit requirements. An audit report is due to DHS if a subrecipient/contractor receives more than \$100,000 in pass-through money from DHS as determined by Wis. Stat. § 46.036.
- C. *Source of Funding:* DHS shall provide funding information to all subrecipient/contractors for audit purposes, including the name of the program, the federal agency where the program originated, the Assistance Listing number and the percentages of federal, state and local funds constituting the agreement.
- D. *Reporting Package:* The subrecipient/contractor that is required to have a Single Audit based on 2 C.F.R. Part 200 Subpart F and the State Single Audit Guide is required to submit to DHS a reporting package which includes all of the following:
1. General-purpose financial statements of the overall agency and a schedule of expenditures of federal and state awards, including the independent auditor's opinion on the statements and schedule.
 2. Schedule of findings and questioned costs, schedule of prior audit findings, corrective action plan and the management letter (if issued).

3. Report on compliance and on internal control over financial reporting based on an audit performed in accordance with government auditing standards.
4. Report on compliance for each major program and a report on internal control over compliance.
5. Report on compliance with requirements applicable to the federal and state program and on internal control over compliance in accordance with the program-specific audit option.
6. * DHS Cost Reimbursement Award Schedule. This schedule is required by DHS if the subrecipient/contractor is a non-profit, for-profit, a governmental unit other than a tribe, county, Chapter 51 board or school district; if the subrecipient/contractor receives funding directly from DHS; if payment is based on or limited to an actual allowable cost basis; and if the auditee reported expenses or other activity resulting in payments totaling \$100,000 or more for all of its grant(s) or contract(s) with DHS.
7. *Reserve Schedule is only required if the subrecipient/contractor is a non-profit and paid on a prospectively set rate.
8. *Allowable Profit Schedule is only required if the subrecipient/contractor is a for-profit entity.
9. *Additional Supplemental Schedule(s) required by funding agency may be required. Check with the funding agency.

*NOTE: These schedules are only required for certain types of entities or specific financial conditions.

For subrecipient/contractors that do not meet the federal audit requirements of 2 C.F.R. Part 200 and SSAG, the audit reporting package to DHS shall include all of the above items except items 4 and 5.

- E. *Audit Due Date:* Audits that must comply with 2 C.F.R. Part 200 and the State Single Audit Guidelines are due to the granting agencies nine months from the end of the fiscal period or thirty (30) days from completion of the audit, whichever is sooner. For all other audits, the due date is six months from the end of the fiscal period unless a different date is specified within the contract or grant agreement.
- F. *Sending the Reporting Package:* Audit reports shall be sent by the auditor via email to DHSAuditors@Wisconsin.gov with "cc" to the subrecipient/auditee. The audit reports shall be electronically created pdf files that are text searchable, unlocked, and unencrypted. (Note: To ensure that pdf files are unlocked and text-searchable, do not scan a physical copy of the audit report and do not change the default security settings in your pdf creator.)
- G. *Access to Subrecipient Records:* The auditee must provide the auditor with access to personnel, accounts, books, records, supporting documentation, and other information as needed for the auditor to perform the required audit. The auditee shall permit appropriate representatives of DHS to have access to the auditee's records and financial statements as necessary to review the auditee's compliance with federal and state requirements for the use of the funding. Having an independent audit does not limit the authority of DHS to conduct or arrange for other audits or review of federal or state programs. DHS shall use information from the audit to conduct their own reviews without duplication of the independent auditor's work.
- H. *Access to Auditor's Work Papers:* The auditor shall make audit work papers available upon request to the auditee, DHS or their designee as part of performing a quality review, resolving audit findings, or carrying out oversight responsibilities. Access to working papers includes the right to obtain copies of working papers.
- I. *Failure to Comply with the Audit Requirements:* DHS may impose sanctions when needed to ensure that auditees have complied with the requirements to provide DHS with an audit that meets the applicable standards and to administer state and federal programs in accordance with the applicable requirements. Examples of situations when sanctions may be warranted include:
 1. The auditee did not have an audit.
 2. The auditee did not send the audit to DHS or another granting agency within the original or extended audit deadline.
 3. The auditor did not perform the audit in accordance with applicable standards, including the standards described in the SSAG.
 4. The audit reporting package is not complete; for example, the reporting package is missing the corrective action plan or other required elements.
 5. The auditee does not cooperate with DHS or another granting agency's audit resolution efforts; for example, the auditee does not take corrective action or does not repay disallowed costs to the granting agency.
- J. *Sanctions:* DHS will choose sanctions that suit the particular circumstances and also promote compliance and/or corrective action. Possible sanctions may include:
 1. Requiring modified monitoring and/or reporting provisions;
 2. Delaying payments, withholding a percentage of payments, withholding or disallowing overhead costs, or suspending the award until the auditee is in compliance;
 3. Disallowing the cost of audits that do not meet these standards;

4. Conducting an audit or arranging for an independent audit of the auditee and charging the cost of completing the audit to the auditee;
 5. Charging the auditee for all loss of federal or state aid or for penalties assessed to DHS because the auditee did not comply with audit requirements;
 6. Assessing financial sanctions or penalties;
 7. Discontinuing contracting with the auditee; and/or
 8. Taking other action that DHS determines is necessary to protect federal or state pass-through funding.
- K. *Closeout Audits*: An agreement specific audit of an accounting period of less than 12 months is required when an agreement is terminated for cause, when the auditee ceases operations or changes its accounting period (fiscal year). The purpose of the audit is to close-out the short accounting period. The required close-out agreement specific audit may be waived by DHS upon written request from the subrecipient/contractor, except when the agreement is terminated for cause. The required close-out audit may not be waived when an agreement is terminated for cause.

The auditee shall ensure that its auditor contacts DHS prior to beginning the audit. DHS, or its representative, shall have the opportunity to review the planned audit program, request additional compliance or internal control testing and attend any conference between the auditee and the auditor. Payment of increased audit costs, as a result of the additional testing requested by DHS, is the responsibility of the auditee.

DHS may require a close-out audit that meets the audit requirements specified in 2 C.F.R. Part 200 Subpart F. In addition, DHS may require that the auditor annualize revenues and expenditures for the purposes of applying 2 C.F.R. Part 200 Subpart F and determining major federal financial assistance programs. This information shall be disclosed in a note within the schedule of federal awards. All other provisions in 2 C.F.R. Part 200 Subpart F- Audit Requirements apply to close-out audits unless in conflict with the specific close-out audit requirements.

19. OTHER ASSURANCES

- A. The Grantee shall notify DHS in writing, within thirty (30) days of the date payment was due, of any past due liabilities to the federal government, state government, or their agents for income tax withholding, Federal Insurance Contributions Act (FICA) tax, worker's compensation, unemployment compensation, garnishments or other employee related liabilities, sales tax, income tax of the Grantee, or other monies owed. The written notice shall include the amount owed, the reason the monies are owed, the due date, the amount of any penalties or interest (known or estimated), the vendor to which the monies are owed, the expected payment date, and other related information. If the liability is in dispute, the written notice shall contain a discussion of facts related to the dispute and the information on steps being taken by the Grantee to resolve the dispute.

The Grantee and its Subgrantee(s) or Subcontractor(s) will allow inspection of records and programs, insofar as is permitted by state and federal law, by representatives of DHS, its authorized agents, and federal agencies, in order to confirm the Grantee's compliance with the specifications of this Agreement.
- D. The Grantee agrees to retain and make available to DHS all program and fiscal records for six (6) years after the end of the Agreement period.
- E. The use or disclosure by any party of any information concerning eligible individuals who receive services from the Grantee for any purpose not connected with the administration of the Grantee's or DHS' responsibilities under

21. CONTRACT REVISIONS AND/OR TERMINATION

1. Increased or decreased volume of services.
 2. Changes required by state and federal law or regulations or court action.
 3. Increase or reduction in the monies available affecting the substance of this Agreement.
- B. Failure to agree to a renegotiated Agreement under these circumstances is cause for DHS to terminate this Agreement.
- C. *Non-Appropriation*: DHS reserves the right to cancel any Agreement in whole or in part without prior notice, any penalty, or liability whatsoever due to non-appropriation of funds or receipt of funds by the Legislature or federal government or for failure of the Grantee to comply with terms, conditions, and specifications of this Agreement.
- D. *Termination for Cause*: DHS may terminate this Agreement after providing the Grantee with thirty (30) calendar days written notice of the Grantee's right to cure a failure of the Grantee to perform under the terms of this Agreement, if the Grantee fails to so cure or commence to cure.
The Grantee may terminate the Agreement after providing DHS a written notice, within one hundred and twenty (120) calendar days, of DHS' right to cure a failure to perform under the terms of this Agreement.
Upon the termination of this Agreement for any reason, or upon Agreement expiration, each party shall be released from all obligations to the other party arising after the date of termination or expiration, except for those that by their terms survive such termination or expiration.
Upon termination for cause, the Grantee shall be entitled to receive compensation for any deliverables' payments owed under the Agreement only for deliverables that have been approved and accepted by DHS.
- E. *Termination for Convenience*: Either party may terminate this Agreement at any time, without cause, by providing a written notice. DHS must notify the Grantee at least forty-five (45) calendar days prior to the desired date of termination for convenience. The Grantee must notify DHS at least one hundred and twenty (120) calendar days prior to the desired date of termination for convenience- during this notification period, the Grantee will continue providing services in accordance with the Agreement requirements.
In the event of termination for convenience, the Grantee shall be entitled to receive compensation for any fees owed under the Agreement and shall also be compensated for partially completed services. In this event, compensation for such partially completed services shall be no more than the percentage of completion of the services requested, at the sole discretion of DHS, multiplied by the corresponding payment for completion of such services as set forth in the Agreement. Alternatively, at the sole discretion of DHS, the Grantee may be compensated for the actual service hours provided. DHS shall be entitled to a refund for goods or services paid for but not received or implemented, such refund to be paid within thirty (30) days of written notice to the Grantee requesting the refund.
- F. *Cancellation*: DHS reserves the right to immediately cancel this Agreement, in whole or in part, without penalty and without an opportunity for Grantee to cure if the Grantee:

22. NONCOMPLIANCE AND REMEDIAL MEASURES

- A. Failure to comply with any part of this Agreement may be considered cause for revision, suspension, or termination of this Agreement. Suspension includes withholding part or all of the payments that otherwise would be paid to the Grantee under this Agreement, temporarily having others perform and receive reimbursement for the services to be provided under this Agreement, and any other measure DHS determines is necessary to protect the interests of the State.
- B. The Grantee shall provide written notice to DHS of all instances of noncompliance with the terms of this Agreement by the Grantee or any of its Subgrantees or Subcontractors, including noncompliance with allowable cost provisions. Notice shall be given as soon as practicable but in no case later than thirty (30) days after the Grantee became aware of the noncompliance. Any void provision shall be deemed severed from this Agreement, and the balance of this Agreement shall be construed and enforced as if it did not contain the particular portion or provision held to be void. The parties further agree to amend this Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. State of Wisconsin
Department of Health Services
Division of Care and Treatment Services

Statement of Work

Program:

Room and Board Residential Substance Use Disorder (RSUD) Treatment Opioid Settlement.

Priorities:

The residential substance use disorder treatment benefit under Wisconsin Medicaid provides treatment for youth and adults to promote recovery from substance use disorder and reduce the incidence and duration of institutional care Medicaid members might otherwise need. Federal law prohibits Medicaid from reimbursing for the costs of room and board.

Covering the costs of room and board has been identified as a barrier to residential substance use disorder treatment for many Medicaid members. The funds provided under this contract will make this benefit more accessible for Tribal nations and counties to cover the costs for room and board for individuals with an opioid use disorder or at risk for an opioid overdose.

Service Requirements:

Residential treatment services must be provided by agencies or facilities certified under [Wis. Admin. Code ch. DHS 75, subch. V](#). Services may include assessment and treatment planning, individual and group and family counseling, psychoeducation, medication management, nursing services, case management, peer support services, recovery coaching, and drug testing to monitor and reinforce individual progress. Federal law prohibits Medicaid from reimbursing for the costs of room and board.

Allowable Expenses:

Funding to cover room and board costs for Medicaid members with an opioid use disorder or at risk for an opioid overdose who are in residential substance use disorder treatment programs.

Funding may be used to support members or residents of a Tribal nation or county and/or non-members/residents.

Individuals supported by this funding can be seeking services for a current opioid use disorder diagnosis or for another substance use disorder while having a history of opioid use disorder. Due to the unpredictability of drug supply and the increased risk of overdose, people with a stimulant use disorder who have been exposed to opioids (demonstrated through a urine screen or surviving an overdose) may be supported with this funding.

Performance Reporting:

Four performance reports are required during the contract term.

CERTIFICATION REGARDING LOBBYING

The undersigned certifies, to the best of his or her knowledge and belief, that:

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Wisconsin Department of Health Services (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Wisconsin Department of Health Services:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: DHSCoordinate@dhhs.wisconsin.gov

To advise Wisconsin Department of Health Services of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at DHSCoordinate@dhhs.wisconsin.gov and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Wisconsin Department of Health Services

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to DHSCoordinate@dhhs.wisconsin.gov and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Wisconsin Department of Health Services

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to DHSCContractCentral@dhs.wisconsin.gov and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
