From: Sheriff Calvin Barrett

Re: Approval for In-Kind Donation – Comprehensive Trauma Kit

County Ordinance 7.14 (10) states the Personnel and Finance Committee shall have the duty and responsibility to approve acceptance of in-kind donations valued at over \$300. The Sheriff's Office requests approval to accept an in-kind donation of a Comprehensive Trauma Kit, donated to the Sheriff's Office Emergency Preparedness Coordinator by Zoll Medical Corporation. The Sheriff's Office recently provided emergency preparedness training to Zoll Medical Corp. staff located in Deerfield, WI. The company wishes to make this donation as a token of their appreciation. The Comprehensive Trauma Kit is valued at approximately \$3,000.

The Dane County Sheriff's Office Emergency Preparedness Coordinator (EPC) provides training to businesses and organizations within Dane County on what to do in an emergency situation, to include active shooter scenario training. In coordination with the active shooter training, the EPC also conducts "Stop the Bleed" training providing training for the immediate life-saving care to those with traumatic injuries. "Stop the Bleed" is designed to provide emergency care to those critically injured until trained medical responders arrive and take over treatment. The Comprehensive Trauma Kit would be utilized by the EPC for demonstration purposes during the training sessions.

Thank you for the generous donation from Zoll Medical Corp.
