- As of the first pay period of 2024, the hourly wage of any non-represented employee will be increased by 4.5%.
- The wage scale for employees within the Building & Construction Trades Council of South Central Wisconsin will be increased by the amount negotiated in collective bargaining plus an additional non-negotiated amount not to exceed the difference between the negotiated increase to the hourly rate and a 4.5% increase to the hourly rate beginning in pay period 1 of 2024.
- Dane County seeks to expand the “CARES” mobile crisis program currently administered by the City of Madison to other communities. Several local leaders have expressed an initial interest in financially contributing toward such expansion so “CARES” be made available in their communities. The budget creates a \$200,000 “CARES” Community Grant Program so the county can help facilitate the growth of this innovative behavioral health program model. The Dane County Department of Human Services will establish criteria for how applications will be reviewed and scored, and will recommend awards to interested communities. Grants will be awarded via county resolution by the County Board and County Executive.
- The operating budget includes the creation of one Public Health Nurse position and related expenses to improve birth outcomes with the total county share being \$63,686. The creation of this position and the related expenses are contingent upon the City of Madison adopted budget funding the City's share of these costs.
- The 2024 budget includes an estimated \$1,150,000 in the Opioid Mitigation line item in the Department of Human Services along with \$35,000 in the Emergency Management and \$175,000 in the Public Health budgets to purchase Naloxone. After reserving \$100,000 for the African American Opioid Coalition of Safe Communities to continue ongoing outreach and harm reduction focusing on Black people, \$180,000 for Expand implementation of evidence-based harm reduction and primary prevention educational curricula (contract with Safe Communities, partner with local schools) and \$70,000 Distribution of fentanyl test strips, naloxone among Recovery Coaches, Community Organizations, Housing Providers (contract with Safe Communities), the prioritization of the remaining \$800,000 in the Human Services budget will be determined by recommendations of an Opioid Settlement Subcommittee of the Health and Human Needs Committee. The Subcommittee will be composed of 8 members including the Director of the Department of Human Services or their designee, the chair of the Board of Health or their designee, six members appointed by the Chair of the Health and Human Needs Committee including three County Board Supervisors at least one of which will be a member of the HHN Committee, and three stakeholders from the community that come from diverse backgrounds: one person with lived experience of addiction, one person with AODA expertise and a youth voice. The subcommittee will be staffed by the Department of Human Services. Based upon priorities established by the subcommittee, the Department of Human Services will issue requests for proposals for services.
- The subcommittee will make recommendations for the remaining \$800,000 for 2024 to the Health and Human Needs committee no later than April 1st, 2024 for 2024 and then by July 1 of each year for the following budget cycle until the Opioid settlement revenue payments are complete and expended.
- Prior to 2020 Dane County was required by law to seek judgments for birth costs for any woman receiving Medicaid. The State of Wisconsin authorized Dane County to stop pursuing birth cost recovery judgments in 2020, but there are approximately 4,000 old judgments that were entered prior to that time that continue to burden people and result in tax refunds being intercepted by the State of Wisconsin to satisfy old judgment debts. People with these judgment debts are disproportionately low income and people of color. Dane County seeks to eliminate the harmful impact of this debt as soon as

**Sub. 1 to 2023 RES-190**  
**2024 DANE COUNTY OPERATING BUDGET APPROPRIATIONS RESOLUTION**

78 possible. Of these 4,000 judgments, approximately 3,000 cases are ones that the Child Support Agency is authorized to expunge, pending Bureau of  
79 Child Support review and approval.

80  
81 The Dane County Board of Supervisors hereby requests that the State of Wisconsin release all birth cost recovery judgments entered in Dane County  
82 Circuit Court.

83  
84 The Dane County Board of Supervisors further seeks a cessation of all collection efforts related to these judgment debts and to prevent any further tax  
85 refund interceptions against judgment debtors and requests that the State inform any of its agents or assigns to immediately cease debt collection efforts.

86  
87 The Dane County Board of Supervisors requests the Child Support Agency to take action to in circuit court to vacate and/or modify birth cost recovery  
88 judgments and requests the State of Wisconsin to cease tax refund intercepts as soon as possible.

89  
90 In its efforts to eliminate birth cost recovery debt, the Child Support Agency should seek no consideration, bargain, or negotiation from the judgment  
91 debtor in exchange for elimination of the birth cost recovery debt.

92  
93 GPR funding for the child support manager and child support investigator positions shall be used exclusively to support the expeditious elimination of birth  
94 cost recovery debt.

95  
96 Child Support will also provide quarterly reports to the Public Protection & Judiciary Committee on progress of the project including data on  
97 expungements, barriers to eliminating debts, and communication with the State of Wisconsin related to expungement.

98  
99 Finally, \$41,000 in one-time funds will be awarded via RFP for education and outreach related to expungement of birth costs. These funds will be used to  
100 address outstanding birth cost debts for individuals that are low-income and financially impacted by the onset of the COVID-19 pandemic and will provide  
101 a direct service to improve their financial stability.

- 141
- 142 • The following procedure will be applied at the end of fiscal year 2024. First, all fiscal activity in all funds will be closed according to Generally Accepted

145 deficit in the Badger Prairie Fund. The unassigned general fund balance shall be no less than 10% of the combined adopted expenditures in the General  
146 Fund, the Human Services Fund, and the Badger Prairie Fund. To the extent funds are available after the above items are applied, the remaining surplus  
147 of GPR budgeted for the human services fund will be retained in the human services fund and applied to future budgets for expenditures.
- 148
- 149 • The Controller is authorized to make technical corrections to the Budgeted Position List, subject to the review and approval by the County Board Chair.
- 150
- 151 • The Controller's Office may add standard "Personal Services" lines to department's budgets to properly account for Personal Services expenditures not
