### REZONE DESCRIPTION

**Reason for the request.** In the space below, please provide a brief but detailed explanation of the rezoning request. Include both current and proposed land uses, number of parcels or lots to be created, and any other relevant information. For more significant development proposals, attach additional pages as needed.

Is this application being submitted to correct a violation?  
Yes ☐ No ☒

The Ryan's adjoining landowners, Randy and Jill Adler, are acquiring land from them. They are intending to combine it with their existing lot at 1415 US Highway 14, Black Earth and annex it into the Village of Black Earth. This reduces the size of the Ryan's remaining land, which requires a rezone and a CSM.
