We live on this road and we absolutely support K+D Store running and expanding their small business. They are good neighbors that care about this community. They run a safe operation, their drivers obey the newly reduce speed limit (35 mph) on Center Rd.

Again, we strongly support Zoning Petition / CUP # 2582

K&D stone is an asset to Dane County. K&D Stone has provided excavating services and aggregate materials to many places in Dane County including: UW Bakke Recreation, bike paths, apartment buildings, and DNR work. In addition, K&D Stone recycles materials such as asphalt, concrete and topsoil- All of which would end up in a land fill if it were not for K&D Stone.

Many small businesses depend on K&D Stone, including my own small dump truck business, HB Hauling LLC. Support small businesses.
