

Dane County Child Support Agency

BIRTH COST PROJECT

Where We Started

TOTAL NUMBER OF CASES WITH BIRTH
COST BALANCES AS OF APRIL 1, 2024 :

2,994 IV-D cases have birth cost balances

1200 Non IV-D cases have birth cost balances

TOTAL AMOUNT OF BIRTH COST BALANCES
TO EXPUNGE:

\$4.3 Million dollars

Official Start date of Project: April 15, 2024

Where We Are Now

TOTAL CASES IN PROGRESS
AS OF DECEMBER 10, 2024:

2,424 Cases have been typed and are in
progress

*All Non-IVD Cases with balances have been
expunged by the State

TOTAL AMOUNT EXPUNGED:

\$3.76 Million

*Under \$600,000 left to expunge

Where Are We Headed

Currently, we have one dedicated Child Support worker gathering information, typing, processing, entering, and adjusting orders. We have one manager who oversees, assists, and provides coverage for this worker. Lastly, we have the Legal Director who reviews and e-files the documents.

The Team has a goal to complete this project by mid January of 2025.
