AWARD OF CONTRACT FOR ENVIRONMENTAL SITE ~~INVESTIGATION~~ REMEDIATION OF THE DARWIN TRAINING AREA AT THE DANE COUNTY REGIONAL AIRPORT

The Dane County Regional Airport ("Airport") led an initial investigation for the presence of PFAS at the Darwin Training Area location at the Airport. The Airport engaged ORIN Technologies, LLC ("ORIN") to conduct an environmental site investigation of the Darwin Training Area to determine the extent of the presence of PFAS. Now, the Airport has engaged ORIN to perform remediation work at this site. Under this contract, ORIN will (1) treat PFAS contamination in both soil and groundwater, (2) monitor soil and groundwater performance and other groundwater metrics, and (3) complete a formal report of the remediation work. The maximum cost of this contract is $1,500,000.00, which is the current best estimate of the project scope. The Airport will also seek funding from other sources to help pay for this contract.

NOW, THEREFORE, BE IT RESOLVED that the Dane County Executive and the Dane County Clerk are authorized to execute on behalf of Dane County a contract with ORIN Technologies, LLC to complete an environmental remediation of the Darwin Training Area at Dane County Regional Airport, as set forth above.
