

Dane County

Minutes - Draft

Local Emergency Planning Committee

Consider:

Who benefits? Who is burdened?

Who does not have a voice at the table?

How can policymakers mitigate unintended consequences?

E. Reports to Committee

Madison Fire HazMat Team Report

Darlene reports on known HazMat team responses.

March 14th - Waunakee, SAIA Freight, A semi-trailer was leaking out the back with a small vapor cloud visible. No hazmat concerns found, contractor called in for further remediation and clean up.

May 3rd - Madison, Water main break near Sterns Packaging Corporation and chemicals possibly going into Starkweather Creek. HazMat team tested PH levels in the water, levels were normal and chemicals were not off gassing. Contract called in for further remediation and clean up.

May 12th - Madison, NCD Technologies, fire and explosion in one of the labs. Employee was using red phosphorous at the time of the incident. HazMat team tested air quality upon arrival and found some off gassing. Sealed the room for a bit and then ventilated. Contract called in for further remediation and clean up.

Darlene shared copies of the letters that were sent to the companies along with a list of spills that have been reported through the DNR hotline.

EPCRA Report - Pintarro

This is a difficult time of year for EPCRA. Tier II reports are due in by March 1st, but reports continue to get reported through mid-April. Darlene has to take the information submitted to the state through the Tier II reports and extract the information to all the other programs that are used for planning.

Darlene circulated a copy of her list of facilities to be updated, she noted there are already 12 changes from the list of 46 that will need to be accounted for and adjusted.

There is no update to the EPCRA grant, the status remains ready for commission. In previous years the awards have come out at the same time as the EMPG awards, which was around September. EPCRA is a state grant.

Committee Membership Vacancies

Amanda Morgan had left the media field and taken a new position with the State Climatology Office. Amanda has recommended another journalist, Charles will be reaching out to her to see if she is still interested.

Dave Vollenberg has retired from Hydrite. The requirements for the Committee is to have two representatives from planning facilities. With the current appointments, that requirement remains to be fulfilled. Joe is with Madison Water Utility and Dave Larson is with the VA Hospital. Quorum would remain unchanged.

Committee Member Reports

Patrick Anderson advised there will be a training on August 9th hosted by the Wisconsin EMS Association on Hazardous Materials and Railroad Safety for EMS providers. Training will be held at the Verona Fire Department. Flyers will be passed along once received.
