RE: Claimant: Derek Toomey
 Claim number: ALDA00001202
 Our Insured: Dane County
 Date of Loss: 4/3/2024

Dear Joshua Cotillier,

The above referenced claim was filed on 5/1/2024. Following a review of the information and an investigation of the facts, it has been determined that Dane County has no liability for this claim. Please issue a formal disallowance and provide a copy of this disallowance to WMMIC.

In explanation of this decision, the Dane County Highway Department reports that there were no plows in the area on the date/time that the Claimant identified. The Highway Department further looked at dates surrounding the reported date of loss and did locate one plow in the area, however it was not in the area at the time that the Claimant indicated and was in the area one hour later. Therefore, we recommend disallowance of this matter.

This claim will be closed on the date of receipt of the disallowance. A copy of this letter has been placed in the claim file for reference. If you should have any further questions, please contact me.

Sincerely,

A handwritten signature in black ink that reads "Nicole Busch".
