Dear Dan Lowndes,

We have received the above referenced claim on 05/24/2023. Following a review of the information regarding that the claimant alleges that their vehicle tire and rim was damaged when they hit 1 of 3-4 pieces of concrete or pavement that were rolling between two lanes of traffic, it has been determined that Dane County has no liability for this claim. Discretionary Immunity applies. Please issue formal disallowance and provide a copy of this disallowance to WMMIC.

This claim will be closed on the date of receipt of the disallowance.

A copy of this letter has been placed in the claim file for reference. If you should have any further questions, please contact me.

Sincerely,
