SUGGESTED DRAFT FOR 2026-2028:

Lines 432-451

2023-2025 LEGISLATIVE AGENDA:

Lines 729-769

ITEMS REMOVED: None. Language for RTA was modified to be less prescriptive.

Community, Workforce, and Economic Development

SUGGESTED DRAFT FOR 2026-2028:

Lines 453-474

2023-2025 LEGISLATIVE AGENDA:

Lines 876-906

ITEMS REMOVED: None. Language for school choice expansion was modified to reflect recent legislative action that expanded the school choice program statewide. The current draft advocates for opposing expansion. Since the program has been expanded the language now reflects adequate funding for public schools and ensuring all schools that receive public funding are held to the same standards.
