E. Discussion Items

1. Elections for Chair and Vice Chair will be held during the June meeting. Members are encouraged to begin considering leadership roles.

Christine Benedict was nominated by Emily Masciopinto to serve as Chair. Amy Snyder-Heitman expressed interest in a leadership role. Members suggested holding an annual conversation about leadership roles, developing a vice-chair-to-chair pathway, and preparing newer members for leadership.

2. Disseminating Dane County Youth Assessment data in the community: Confirm overall approach & expectations from DCDHS (Erickson)

Youth Commission will commit to annual work on DCYA data dissemination, including selecting topics, researching, and presenting findings in the community. Ideas included focusing on timely topics, partnering with community organizations, convening discussions, and keeping the Youth Assessment data active between cycles. Proposed annual timeline aligns with the three-year Youth Assessment cycle: survey (Jan-Apr), analysis (summer), overview report/webinar (fall), and topic-specific work in following years.

3. Webinar planning: DCYA data (gun access & mental health / HHN Committee content). Identify key points to share from the HHN presentation, speakers/expertise needed, target date/month, platform/recording, and promotion needs

Members discussed holding a webinar on gun violence and mental health, the Commission has existing data and slides; planning will include identifying speakers, panelists, and roles. Ideas included presenting data followed by a panel of 2-3 community stakeholders. The tentative goal is to hold an online, recorded webinar in fall 2026.
