Subject: RE: Town of Verona Development proposal on May 5th agenda

Bridgit,

Thanks for contacting the City. The Joint City/Town Plan Commission met on this request yesterday and the motion to approve the CSM and rezone was denied. The City asks that the County not approve the request.

Subject: Town of Verona Development proposal on May 5th agenda

Hello Verona Planners:

I am the County rep for the Town of Verona. They have advanced the attached proposal to us that is on the agenda for the next May 5th meeting.

Do you have any initial sense of potential objections or resistance to this occurring in the ETJ and adjacent to the City? If it is unrealistic, understandably, to provide a response before the meeting, the petition will likely be postponed until we are able to get city feedback and/or official decision.

Please let me know how we should proceed.

Thanks,
Bridgit
