# Dane County Youth Assessment 2024 Highlights

DECEMBER, 2024

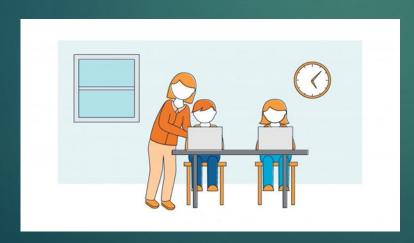

#### DCYA in 2024

- The project is funded by:
  - Dane County Human Services,
  - United Way of Dane County,
  - Public Health Madison & Dane County
  - City of Madison
  - 17 school districts
- A county-wide survey given to 7<sup>th</sup>-12<sup>th</sup> grades every 3 years, started in 1980
  - In 2024, approximately 25,000 7<sup>th</sup>-12<sup>th</sup> students completed the survey

### How is it administered?

- School staff administer the online survey from late January to mid-April
- Students are assured their responses are confidential
- Survey topics & survey design is vetted by community partners, school districts and students
- Validity and consistency of administration reflected in DCYA data matching national & state trends

## Topics Covered

- Alcohol, drugs and tobacco
- Nutrition, exercise and health
- Home life
- Community Involvement
- Sexual behavior
- Working and volunteering
- Extra-curricular activities
