

# Services for Participants in the Community Court

Presented to CJC-CCA Subcommittee

August 29, 2023

# Potential Offenses & Population

For the following exercise, please consider the following offenses:

- Low level drug trafficking
- Car theft without gun
- Resisting/Obstructing arrest

# Services Considerations

- Restorative justice aims and vision
- Cultural sensitivity and competence
- Equitable access and equitable benefit

# Survey and Discussion Questions

- What services or supports would be useful?
- What gaps currently exist in supports or providing services to community members' needs?
- What types of community organizations can we partner with?
- How do we build a space that the community wants to come to?

What  
services or  
supports  
would be  
useful?

What gaps currently exist in supports or providing services to community members' needs?

What types of  
community  
organizations  
can we  
partner with?

How do we  
build a space  
that the  
community  
wants to  
come to?

What are the top three services that you see as most critical tools to *start* with?
